The above described property is now in possession of the Tulsa Police Department. Affiant states that there is probable cause for the issuance of a search warrant due to the following facts:

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

Methamphetamine, fruits and instrumentalities used in the sale and distribution of controlled substances, monies derived from the sale of controlled substances, unexplained wealth, records and financial records in physical, digital, or electronic form, records indicating sales of illegal drugs, cell phones, weapons, and proof of residency.

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the court will grant law enforcement officers conducting the service of this search warrant permission to seize all firearms used in the commission and or facilitation of the sales of controlled dangerous substances, equipment and paraphernalia herein before described, to wit:

FIREARMS, AMMUNITION AND PROOF OF OWNERSHIP OF SUCH ITEMS,

Your affiant states that said dangerous substances by reason of their physical structure are easily destroyed, and that there is likelihood that the person in possession of the same will attempt to destroy them. Your affiant further states that there is further likelihood that the foresaid controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

YOUR AFFIANT FURTHER STATES:

He is a police officer for the Tulsa Police Department and has been so employed for over seven (7) years. He is presently assigned to the Special Investigations Division Narcotics Unit. He has a Bachelors Degree in Criminal Justice from East Central University. He has completed the Oklahoma State Bureau of Investigations Clandestine Laboratory Basic Safety Certification and Clandestine Laboratory Site Safety Officer courses presented by Network Environmental Systems. He has completed the Drug Enforcement Administration Basic Narcotics Investigator School. He has received formal training in narcotics investigations from the Tulsa Police Academy as well as informal training received from more experienced officers. He has conducted numerous investigations involving the illegal distribution of controlled dangerous substances.

Your affiant states that within the last 72 hours your affiant spoke to a reliable confidential informant (herein referred as a R.C.I.). The R.C.I. has in the past given information to your affiant in excess of three occasions. On each occasion that your affiant was assisted by R.C.I. officers were able to make controlled dangerous substance related arrests and/or obtained search warrants. All subjects arrested subsequent to information received from this R.C.I. have been

successfully charged with narcotic violations. Your affiant further states that the information that the R.C.I. has given your affiant has never been purposely untrue or misleading. The information that the R.C.I. has provided in the past has been up to date and vital on several narcotics investigations. Your affiant further states that the R.C.I. has shown knowledge of the trafficking of methamphetamine.

Your affiant states that while with the R.C.I. he/she directed your affiant to 818 N. Oxford Avenue. The R.C.I. stated that Megan Olmstead is selling methamphetamine from the residence located at 818 N. Oxford Avenue. The R.C.I. stated that they have seen other people buy methamphetamine from Megan Olmstead inside 818 N. Oxford Avenue in the past. The R.C.I. stated that he/she has seen methamphetamine packaged for sale inside 818 N. Oxford Avenue within the past 72 hours.

The R.C.I. stated that they have seen Megan Olmstead with a loaded semi automatic handgun in the past. Your affiant states that with his training and experience he knows that people who sell controlled substances commonly possess firearms to protect their product. It is also common for them to possess firearms to avoid being robbed by rival drug dealers for their controlled substances or money derived from the sale of their controlled substances.

Your affiant states that he looked at Megan Olmstead's criminal history in the Tracis System (Tulsa Police Database). Megan Olmstead was arrested for Possession of CD W/Intent on June 19, 2007 and Possession of CD on December 5, 2008. Megan Olmstead shows an address of 818 N. Oxford Avenue as recently as December 18, 2008.

Your affiant states that officer J. Eddings, officer D. Brice and your affiant performed surveillance on 818 N. Oxford Avenue. Your affiant states that both he and the other officers noticed a large amount of short-term traffic coming from the residence. Your affiant states that officers observed people enter the residence to be searched and a short time later the people would exit the residence. Your affiant states that officers believe this is consistent with the sale of controlled dangerous substances.

Your Affiant states that with his training and experience he knows that people who sell and/or traffic controlled substances commonly have items and/or money that would be considered unexplained wealth. These items would include electronics, jewelry, furniture, U.S. currency, vehicles and various appliances. Your affiant states that people involved in the selling and/or trafficking of controlled substances commonly pay for these items with the cash they derive from selling their controlled substances.

Your affiant further states that individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business and or residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and secret the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your Affiant further states that people who use and sell quantities of controlled dangerous substances, keep monies and records of their transactions and paraphernalia associated with their organization. Your affiant states that individuals who use and sell quantities of controlled dangerous substances commonly use digital paging devices, portable memory devices and cellular communication devices to maintain contact with their customers and suppliers or sources of supply of the controlled dangerous substances. Your affiant further states that these paging devices, digital storage devices as well as cellular communication devices maintain electronically stored numbers, messages, names and codes within their memory.

Your Affiant further states that he believes that the information developed in this case indicates probable cause that quantities of controlled dangerous substances are being sold from as well as maintained in the residence to be searched located at 818 N. Oxford Avenue, Tulsa, Oklahoma.

Your affiant requests the issuance of a search warrant for the above residence, 818 N. Oxford Avenue.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

All subjects arrested subsequent to information received from this R.C.I. have been successfully charged with narcotic violations. Your affiant further states that the information that the R.C.I. has given

your affiant has never been purposely untrue or misleading. The information that the R.C.I. has provided in the past has been up to date and vital on several narcotics investigations. Your affiant further states that the R.C.I. has shown knowledge of the trafficking of cocaine.

Your affiant states that while with the R.C.I. he/she directed your affiant to 13505 E. 27th Street. The R.C.I. stated that Dynassio Bland is selling cocaine from his residence at 13505 E. 27th Street. The R.C.I. stated that Dynassio Bland has sold the R.C.I. and several other people cocaine. The R.C.I. stated that he/she has seen Dynassio Bland inside 13505 E. 27th Street with cocaine packaged for sell within the past 72 hours. While speaking with the R.C.I. he/she stated that Dynassio Bland has placed cameras around the outside of 13505 E. 27th Street with the intent of seeing the police before they arrive.

Your affiant states that the R.C.I. then directed your affiant to Dynassio's mother's residence located at 1819 E. Woodrow place. The R.C.I. stated that Dynassio Bland uses the residence to store additional amounts of cocaine and large quantities of U.S. currency. The R.C.I. stated he/she has seen Dynassio come and go from 1819 E. Woodrow place on numerous occasions. The R.C.I. stated that they believe that Dynassio hides cocaine and large amounts of currency at his mother's residence because Dynassio was recently robbed. The R.C.I. stated that Dynassio was living at 11051 E. 14th Street when some people forced their way into his residence. The R.C.I. stated that they suspect's stole a large amount of U.S. currency and some cocaine from Dynassio during the robbery. The R.C.I. stated that Dynassio Bland believes that he can avoid both police detection and other suspects wanting to rob him by hiding some of his controlled substances and U.S. currency inside his mother's residence located at 1819 E. Woodrow Place.

Your affiant states that he conducted a criminal history check on Dynassio Bland. Dynassio Bland was arrested for Possession of CD W/Intent and Possession of Firearm during the Commission of a Felony in 1989. Your affiant also noticed that on July 23, 2008 Dynassio Bland filed a 1st Degree Burglary report from 11051 E. 14th Street. The report states that suspects entered Dynassio's residence using force and stole several items.

Your affiant states that while investigating 13505 E. 27th Street and 1819 E. Woodrow Place he noticed that Dynassio Bland pays the utilities at 13505 E. 27th Street and Joan Bland pays the utilities at 1819 E. Woodrow Place. Your affiant also noticed that on September 27, 2003 Joan Bland filed a domestic violence report at 1819 E. Woodrow Place. In the report Officers wrote that Joan Bland had a son named Dynassio Bland.

Your affiant states that he and Officer D. Brice performed surveillance on 13505 E. 27th Street. Your affiant states that he and Officer D. Brice noticed a large amount of short-term traffic coming from the residence. Your affiant states that he observed people enter the residence to be searched and a short time later the people would exit the residence. Your affiant states that this is consistent with the sell of controlled dangerous substances.

Your affiant states that with his training and experience he knows that people who sale large amounts of controlled substances commonly keep other quantities of both controlled substances and U.S. currency at other locations. Your affiant states that drug traffickers do this in attempt to avoid police detection. Your affiant states that in this investigation your affiant learned that Dynassio has been robbed before. Your affiant states that it is highly probable that the suspects who robbed Dynassio Bland had knowledge that he was a drug trafficker and that he would probably have large amounts of U.S. currency inside his residence.

Your affiant states that with his training and experience he knows that people who sell controlled substances commonly possess firearms to protect their product. It is also common for them to possess firearms to avoid being robbed by rival drug dealers for their controlled substances or money derived from the sale of their controlled substances.

Your affiant states that with his training and experience he knows that people who sell and/or traffic controlled substances commonly have items and/or money that would be considered unexplained wealth. These items would include electronics, jewelry, furniture, U.S. currency, vehicles and various appliances. Your affiant states that people involved in the selling and/or trafficking of controlled substances commonly pay for these items with the cash they derive from selling their controlled substances.

Your affiant further states that individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business and or residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and secret the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant further states that people who use and sell quantities of controlled dangerous substances, keep monies and records of their transactions and paraphernalia associated with their organization. Your affiant states that individuals who use and sell quantities of controlled dangerous substances commonly use digital paging devices, portable memory devices and cellular communication devices to maintain contact with their customers and suppliers or sources of supply of the controlled dangerous substances. Your affiant further states that these paging devices; digital storage devices as well as cellular communication devices maintain electronically stored numbers, messages, names and codes within their memory.

Your affiant further states that he believes that the information developed in this case indicates probable cause that quantities of controlled dangerous substances are being sold from as well as maintained in the residence to be searched located at 1819 E. Woodrow Place, Tulsa, Oklahoma.

SW - 2009 - 22³

Your affiant requests the issuance of a search warrant for the above residence, 1819 E. Woodrow Place.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

THE RESIDENCE TO BE SEARCHED IS A SINGLE-FAMILY RESIDENCE LOCATED IN THE 10100 BLOCK OF EAST 26TH STREET. THE NUMBERS 1-0-1-1-5 ARE LOCATED ON THE CURB IN FRONT OF THE RESIDENCE. THE RESIDENCE TO BE SEARCHED IS MORE COMMONLY KNOWN AS 10115 EAST 26TH STREET. THE RESIDENCE TO BE SEARCHED IS LOCATED WITHIN THE CITY OF TULSA, TULSA COUNTY, STATE OF OKLAHOMA.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

Methamphetamine, instruments and chemicals used to manufacture methamphetamine, to include precursor chemicals, solvents, acids, bases, and glassware, fruits and instrumentalities used in the sale and distribution of controlled substances, monies derived from the sale of controlled substances, unexplained wealth, records and financial records in physical, digital, or electronic form, records indicating sales of illegal drugs, cell phones, weapons, and proof of residency.

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the court will grant law enforcement officers conducting the service of this search warrant permission to seize all firearms used in the commission and or facilitation of the sales of controlled dangerous substances, equipment and paraphernalia herein before described, to wit:

FIREARMS, AMMUNITION AND PROOF OF OWNERSHIP OF SUCH ITEMS,

Your affiant states that said dangerous substances by reason of their physical structure are easily destroyed, and that there is likelihood that the person in possession of the same will attempt to destroy them. Your affiant further states that there is further likelihood that the foresaid controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

YOUR AFFIANT FURTHER STATES:

He is a police officer for the Tulsa Police Department and has been so employed for over eight (8) years. He is presently assigned to the Special Investigations Division Narcotics Unit. He has a Bachelors Degree in Criminal Justice from East Central University. He has completed the Oklahoma State Bureau of Investigations Clandestine Laboratory Basic Safety Certification and Clandestine Laboratory Site Safety Officer courses presented by Network Environmental Systems. He has completed the Drug Enforcement Administration Basic Narcotics Investigator School. He has completed an Advanced Undercover Narcotics School. He has received formal training in narcotics investigations from the Tulsa Police Academy as well as informal training received from more experienced officers. He has conducted numerous investigations involving the illegal distribution of controlled dangerous substances.

Your affiant states that within the last 72 hours your affiant spoke to a reliable confidential informant (herein referred as a R.C.I.). The R.C.I. has in the past given information to your affiant in excess of three occasions. On each occasion that your affiant was assisted by R.C.I. officers were able to make controlled dangerous substance related arrests and/or obtained search warrants. All subjects arrested subsequent to information received from this R.C.I. have been

successfully charged with narcotic violations. Your affiant further states that the information that the R.C.I. has given your affiant has never been purposely untrue or misleading. The information that the R.C.I. has provided in the past has been up to date and vital on several narcotics investigations. Your affiant further states that the R.C.I. has shown knowledge of how methamphetamine is sold and how it is manufactured.

Your affiant states that while with the R.C.I. he/she directed your affiant to 10115 E. 26th Street. The R.C.I. stated that a white male named Bryan is manufacturing and selling methamphetamine from the residence. The R.C.I. stated that he/she has seen methamphetamine being manufactured inside 10115 E. 26th Street within the past 72 hours. The informant stated that Bryan is manufacturing methamphetamine the new way in a two litter bottle. Your affiant states that the informant called this method the "Shake and Bake" method.

Your affiant states that while investigating the residence at 10115 E. 26th Street he noticed that a white male named Bryan Campbell is paying the utilities at the residence.

Your affiant states that he investigated Bryan Campbell using the Tracis System (Tulsa Police Database). Your affiant noticed that Bryan Campbell has been arrested on three separate occasions involving controlled substances and is considered a career criminal. Your affiant states that one of the arrests was for possession of methamphetamine in 2002. Your affiant states that the Tracis System shows that Bryan Campbell has used the address of 10115 E. 26th Street since June of 2006.

Your affiant states that with his training and experience he knows that people who sell controlled substances commonly possess firearms to protect their product. It is also common for them to possess firearms to avoid being robbed by rival drug dealers for their controlled substances or money derived from the sale of their controlled substances.

Your affiant states that he and Officer J. Eddings performed surveillance on 10115 E. 26th Street. Your affiant states that both he and Officer J. Eddings noticed a large amount of short-term traffic coming from the residence. Your affiant states that officers observed people enter the residence to be searched and a short time later the people would exit the residence. Your affiant states that both he and Officer J. Eddings believe this is consistent with the sell of controlled dangerous substances.

Your affiant states that with his training and experience he knows that people who sell and/or traffic controlled substances commonly have items and/or money that would be considered unexplained wealth. These items would include electronics, jewelry, furniture, U.S. currency, vehicles and various appliances. Your affiant states that people involved in the selling and/or trafficking of controlled substances commonly pay for these items with the cash they derive from selling their controlled substances.

Your affiant further states that individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business and or residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and secret the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant further states that people who use and sell quantities of controlled dangerous substances, keep monies and records of their transactions and paraphernalia associated with their organization. Your affiant states that individuals who use and sell quantities of controlled dangerous substances commonly use digital paging devices, portable memory devices and cellular communication devices to maintain contact with their customers and suppliers or sources of supply of the controlled dangerous substances. Your affiant further states that these paging devices, digital storage devices as well as cellular communication devices maintain electronically stored numbers, messages, names and codes within their memory.

Your affiant further states that he believes that the information developed in this case indicates probable cause that quantities of controlled dangerous substances are being sold from as well as manufactured in the residence to be searched located at 10115 E. 26th Street, Tulsa, Oklahoma.

Your affiant requests the issuance of a search warrant for the above residence, 10115 E. 26th Street.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the above described property: items relating to this investigation, items appearing to have blood, body fluids, body tissue, and evidence contained on them, any written documentation or recordings that may be related to this assault, belts, computer mouse cords, and papers of residency.

that constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: Child Abuse

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and or house, building, or premises, the curtilage thereof and appurtenances thereunto, belonging to: Jonathan Weaver

Described as follows: a multi-family duplex, two story, constructed of brick and wood siding, located in the 2400 block of S. 92nd E. Avenue. The duplex is constructed of light tan brick and tan wood siding, with a grey composition shingle roof, and light tan wood trim. The duplex faces East and is on the Westside of S. 92nd E. Avenue. The duplex is the fourth structure North of E. 26th Street. The residence to be searched is the Northern most unit in the duplex. A black iron security door is affixed to the front door and it faces north. The numbers 2420 are located on the top portion of an awning attached to a garage located directly in front of the residence to be searched. The numbers are black in color affixed to a white placard. This residence is commonly known as 2420 S. 92nd E. Avenue, Tulsa, Tulsa County, Oklahoma.

Affiant states that there is probable cause for the issuance of a search warrant because,

On 04/03/09, Department of Human Services Caseworker Carolyn Bearden reported four-year-old Tyonna Tottress' injuries to the Tulsa Police Department. Officer John West responded to the Skelly Early Learning Center located at 8811 E. 31st Street in reference to a child with injuries to her legs. Officer West placed Tyonna Tottress into protective custody based on her injuries, and brought her to the Justice Center to be medically examined. Dr. Passmore examined Tyonna Tottress, and she was found to have extensive bruising and abrasions, which she stated were consistent with abuse. Dr. Passmore stated that the bruises and abrasions had a looped appearance which was consistent with being struck with a flexible looped over object. Dr. Passmore also stated that the victim's injuries were not consistent with normal childhood injuries.

On 04/08/09, four-year-old Tyonna Tottress was given a forensic interview at the Justice Center. Tyonna Tottress told the forensic interviewer that she had got a whooping from her step dad named Jonathan, and he used a belt when he whipped her, and a computer mouse cord.

On 04/03/09, Mr. Jonathan Weaver contacted my office, and he admitted to whipping Tyonna Tottress with a belt on 04/01/09. Mr. Jonathan Weaver stated that he gave the victim a whooping at his residence located at 2420 S. 92nd E. Avenue. On 04/21/09, I went to Mr. Weaver's residence, and he showed me a black leather belt that he stated he used to whip Tyonna Tottress. I asked Mr. Weaver if I could retain his belt for evidence, and turn it into the property room. Mr. Weaver stated that he wished to speak with his attorney, George Nelson, at that time. Jonathan Weaver then contacted Mr. Nelson, and he advised the defendant not to give detectives the belt. Mr. Nelson also requested to speak with your affiant on the telephone on 04/21/09, and he told your affiant that he would not allow his client to give detectives the black belt.

Your Affiant prays that a search warrant be issued and that the evidence collected from the residence may be analyzed and compared with the victim's injuries.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any peace officer of this state, commanding that he search the said persons, premises and/or vehicle, and take possession of the property herein before described and detain the same provided by law.

Your affiant states that he has received both formal and informal training from more experienced investigators in regards to drug related investigations.

Your affiant further states that within the last 72 hours officers met with and received information from a confidential informant, hereafter referred to as C.I. who stated that he/she could purchase marijuana from an individual named Steve, a white male. The C.I. stated he/she had purchased from Steve numerous times in the past and that he always had product for sale. The C.I. was searched and no controlled dangerous substances or U.S. currency were located on the C.I. Your affiant further states that the C.I. called Steve and arranged to meet with him at his residence, 4677 S. Oxford Ave.

You affiant further states the C.I. was given a quantity of U.S. currency with which to purchase marijuana. Your affiant further states that the officers drove the C.I. to Steve's residence. The residence was under constant surveillance as the C.I. exited officer's vehicle and approached Steve's residence. The C.I. was under constant surveillance from the officer who drove them.

Your affiant further states that individuals that sell quantities of controlled dangerous substance utilize electronic communication devices as well as books and ledgers to store information related to their illegal activities. Your affiant states that this information includes but is not limited to written or electronically stored drug related transactions, monies exchanged and or owed as well as contact numbers and names. Your affiant states that individuals that are involved in the illegal sale of controlled dangerous substances also utilize items consistent with the weighing and packaging of the controlled dangerous substances. These types of items include but are not limited to weighing scales both manual and or digital as well as plastic bags and other packaging materials utilized to secret the controlled dangerous substances.

Your affiant states that surveillance has been done on the residence to be searched and short term vehicular and pedestrian traffic has been observed at the residence to be searched. Short term traffic is indicative of drug use and sales. Your affiant states that he has learned from his experience as a Police Officer that guns are commonly used in the "drug trade". Your affiant further states that through his training and experience which includes interviews with individuals arrested for drug related offenses that firearms are commonly utilized to protect drug proceeds as well as the controlled dangerous drugs themselves. Your affiant further states that he has also learned that firearms are also used to intimidate or as protection from various individuals including potential customers and rival drug dealers and law enforcement.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the evidence herein before described, and vehicle in which said evidence is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY

The undersigned affiant, being first duly sworn, upon oath says: that in TULSA County, Oklahoma, at and upon or within a certain vehicle, house, building, premises, or persons, the curtilage thereof and the appurtenances thereto belonging, described as follows:

The residence is in an apartment building. The apartment building is a multi-family structure north of the intersection of West 21st Street and South Boulder Avenue. The apartment building is gray with white trim. The apartment building has a conspicuous sign out front which reads "Boulder Plaza Apartments." The apartment is on the 3rd floor of the building, first door to left of the elevators. The door and trim was painted burgundy with the numbers "306" affixed to the door. The residence is more commonly known as 1840 South Boulder Avenue, apartment 306, Tulsa, Oklahoma.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

SALLY HOWE SMITH, COURT CLERK
TULSA COUNTY
2009 MAY -6 AM 10:22

- Cocaine**
- Marijuana**
- Other controlled substances**

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

- **MONIES OR UNEXPLAINED WEALTH**
- **RECORDS AND FINANCIAL RECORDS IN PHYSICAL, DIGITAL, OR ELECTRONIC FORM**
- **PROOF OF OWNERSHIP AND/OR EMPLOYMENT**
- **CELLULAR PHONES**
- **PAGERS**
- **KEYS**
- **SAFES**
- **SURVEILLANCE EQUIPMENT**
- **FIREARMS**

Your affiant states that said dangerous substances by reason of their physical structure are easily destroyed, and that there is likelihood that the person in possession of the same will attempt to destroy them. Your affiant further states that there is further likelihood that the foresaid controlled dangerous

substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day or night.

YOUR AFFIANT FURTHER STATES:

He that he is a police officer for the city of Tulsa Police Department and has been so employed for over ten years. Your affiant has a Bachelor of Behavioral Sciences degree from Hardin-Simmons University in Abilene, Texas. He has also furthered his education by attending graduate level studies for 1 year at the University of Central Oklahoma, in Edmond, Oklahoma. Your affiant further states he is presently assigned to the Street Crimes Unit at the Gilcrease Division. Your Affiant further states that he has been trained in the recognition of controlled dangerous substances by the Tulsa Police academy, as well as informal training received from more experienced narcotic investigators. Your affiant further states that he has participated in numerous arrests involving controlled dangerous substances. He has conducted numerous investigations involving the illegal distribution of controlled dangerous substances.

On 18th day of March, 2009, your affiant was assigned to investigate an anonymous tip from his chain of command. The tip was sent in from the internet or telephonically, which allows the people to remain anonymous. The tip said the occupants in Boulder Plaza Apartments in apartment 310 were "trafficking" drugs.

Upon receiving the tips, your affiant and other officers went to the Boulder Plaza Apartments to investigate said tip. Your affiant spoke with a Reliable Confidential Informant, hereafter called RCI1, who regularly frequents the apartments. RCI1 told your that there was "a whole lot of dope selling" occurring in the residence 310 and 306. RCI1 was very specific with his information. RCI1 said he has seen narcotics being sold and drug transactions occurring in the doorway of apartments 310 and 306.

RCI1 told your affiant he observed a transaction between two men at the 306 residence. RCI1 told your affiant he observed a black male, hereafter known as "John Doe" complete the sale of a drug transaction. RCI1 told officers he observed a black male hand another man a white rock and the other man gave Doe a twenty dollar bill. RCI1 told officers that Doe uses Moten's residence to sell narcotics, only because he does not want to use his own residence. RCI1 said Moten allows multiple black men to use his residence in the sales of narcotics exchange for cocaine.

Further, RCI1 says that the short term traffic at the residence is the heaviest at after 2200 hours. RCI1 says drug dealers with experience know search warrants are generally day service only. Knowing the service is in the daytime only, the drug dealers will commence their operations after the hours of 2200, to avoid any criminal entanglements. Generally, the street level dealers will only have a small portion of their narcotic stock on hand so that they can sell their entire quantities during the "night" hours, or hours from 2200 hours to 0600 hours.

RCI1 has given officers of the Tulsa Police Department information concerning sales and distribution of controlled dangerous substances. In the past, RCI1 has made purchase(s) in controlled buy situations and/or arranged for undercover officers to purchase quantities of controlled dangerous substances. RCI1 has also provided information related to controlled dangerous substance law violators no less than three (3) times, all of which have been confirmed by your affiant or other officers of the Tulsa Police Department. On occasions that officers were assisted by RCI1, officers were able to make controlled dangerous substances related arrests and/or gather enough information/evidence to obtain search warrant(s).

Officers have found that the information provided by RCI1 has been proven to be true on all occasions. Your affiant further states that RCI1 has never offered information regarding sales and distribution of controlled dangerous substances that has not been substantiated or corroborated.

On the 28th of March, 2009, Officer M. Frazier had a similar tip about the said residence. A Confidential Informant (CI) told Officer Frazier and Connelly that there are several subjects dealing cocaine and marijuana from the apartment. The CI met officers and told him he could buy them some marijuana. The CI led Officers Frazier and Connelly to apartment 306.

Officers Frazier and Connelly arrived to the said apartment and there were 4-5 other people standing outside, waiting for someone or thing unknown. Officers Frazier and Connelly gave the CI \$40 to purchase cocaine. The CI went inside the apartment. While inside the apartment, Officer Frazier asked several of the people why they were waiting outside apartment 306. The people waiting indicated they Moten and Doe

were waiting on some cocaine. The people waiting indicated the cocaine would come from apartment 306.

Officers Frazier and Connelly's CI came from the apartment and said he did not have any cocaine for them. After retrieving \$20 of the \$40 they had given him, the CI told officers he had smoked \$20 worth of cocaine while inside apartment 306. Officer Frazier said the CI appeared to be intoxicated or "high" when he came from the residence.

On the 30th day of March, 2009, Officers received a tip that a wanted subject was inside the residence of apartment 306 or another apartment hiding from law enforcement officers. The wanted subject was an escapee from DOC custody (Crystal Weeks). From all information received, the wanted subject (Weeks) was a cocaine addict. The tip was credible, as your affiant had just missed the wanted subject by a few hours. Weeks was associates with several people who frequent the above apartment. In an interview with Weeks' grandmother later, she said Weeks frequents apartment 306 because the residents and visitors consistently have cocaine.

Officer Dupler received information from RC12 that a black male named Ramie Tiger, a.k.a. "Roscoe" sells cocaine from apartment 306. RC12 told Officer Dupler that Roscoe sells cocaine in the residence as often as he has it. Tiger does not live in the residence, but uses it to sell cocaine and gives Moten cocaine in exchange.

RC12 has given officers of the Tulsa Police Department information concerning sales and distribution of controlled dangerous substances. In the past, RC12 has made purchase(s) in controlled buy situations and/or arranged for undercover officers to purchase quantities of controlled dangerous substances. RC12 has also provided information related to controlled dangerous substance law violators no less than three (3) times, all of which have been confirmed by your affiant or other officers of the Tulsa Police Department. On occasions that officers were assisted by RC12, officers were able to make controlled dangerous substances related arrests and/or gather enough information/evidence to obtain search warrant(s).

Officers have found that the information provided by RC12 has been proven to be true on all occasions. Your affiant further states that RC12 has never offered information regarding sales and distribution of controlled dangerous substances that has not been substantiated or corroborated.

On the 6th of April, 2009 at 2000 hours, your affiant and Officer Lamb went to the residence in an attempt to locate a wanted subject. When officers arrived in the parking lot, they were met by a man who coordinated a cocaine sale. Your affiant and Officer Lamb spoke with the man and agreed to pay thirty dollars (\$30) for a rock of cocaine. A rock of cocaine is common street terminology for a small smokeable amount of cocaine. The rocks of cocaine are normally sold in small, individual dosages, commonly sold at the street level in \$20, \$30, & \$40 amounts.

The sale coordinator (man in the parking lot) led officers through the bowels of the apartment building and eventually to apartment 306. Once at apartment 306 your affiant and Officer Lamb observed a negotiations for cocaine. During the negotiation for the cocaine, Moten took the sale coordinator inside the residence. Moten observed your affiant and Officer Lamb and was suspicious of a police presence. Your affiant and Officer Lamb did not observe the exchange. The man from the parking lot was pulled inside and door to 306 was closed before your affiant and Officer Lamb observed the exchange of money for cocaine.

Outside a few minutes later, your affiant and Officer Lamb saw the same man come from apartment 306. The man told your affiant and Officer Lamb that "they [occupants of apartment 306] didn't have any weed, only crack." The man appeared intoxicated ("high") from cocaine as he was speaking to officers. We observed the following signs and symptoms of intoxication on cocaine; dilated pupils, restlessness, paranoid, and very anxious.

Your affiant conducted a preliminary investigation and learned the apartment is leased to Douglas Moten. Moten is a black male, approximately 5'08" tall and 150 pounds. He is listed in TRACIS. Officers have observed several black males coming to and from the apartment.

Based on the information listed above, your affiant believes that on-going criminal activity, in the form of the illegal use and distribution of illegal drugs, has occurred and continues to occur at 1840 South Boulder Avenue, apartment 306, Tulsa, Oklahoma. .

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who use and sell controlled dangerous substances often house quantities of illegal substances at their residences and/or businesses with which they are affiliated. These same individuals often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the manufacture and/or sale of controlled dangerous substances, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, lists of buyers and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sale and/or distribute.

Based on your affiant's prior training and experience, he knows that cellular phones are used by drug traffickers to coordinate the sale, transportation, and delivery of controlled dangerous substances. The communications consist of verbal communications or text messages transmitted through the phone. Further, it is common that persons who use cellular phones store the name and number of the persons they communicate with as electronic data in the form of names and phone numbers. Further, many phones are designed to store a record of recently called numbers, recently transmitted text messages, and to electronically store video and photos. Further, some cellular phone users assign photos, songs, or lyrics to frequent callers to identify the caller when a communication is received.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Based on your affiant's prior training and experience on controlled dangerous substances investigations, individuals who commonly use and sell quantities of controlled dangerous substances use the counter-surveillance to counter efforts of law enforcement officers. Your affiant states that these types of individuals use people addicted to controlled substances to act as a "look out" for law enforcement officers coming around their neighborhoods. Using the counter-surveillance personnel and waiting until after 2200 hours when there are fewer people around, it is easier to identify law enforcement officers and our vehicles.

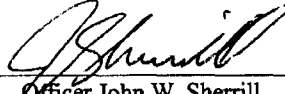

Further, these types of individuals have commonly been arrested on previous occasions for controlled dangerous substances, and during the course of that arrest likely received legal advice from attorneys on particulars of the service of search warrants. Having been educated by counsel that a nighttime search warrant service is more difficult to obtain, these type of people who sell controlled dangerous substances use that to their advantage. Officers have seen a pattern developing, these types of individuals wait until the hours of 2200 hours to begin selling controlled dangerous substances and quit selling at 0600 hours, to avoid the day service requirement.

Your affiant states that it is common for individuals that distribute and use controlled dangerous substances to do so from their business, as well as keep additional quantities on hand for personal use and resale. Your affiant requests the issuance of a search warrant for the residence to be searched, 1840 South Boulder Avenue, apartment 306, Tulsa, Oklahoma.

FURTHER YOUR AFFIANT SAYETH NOT.

SW-2009-228

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY

The undersigned affiant, being first duly sworn, upon oath says: that in TULSA County, Oklahoma, at and upon or within a certain vehicle, house, building, premises, or persons, the curtilage thereof and the appurtenances thereto belonging, described as follows:

The residence is a single story residence in the area of East 44th Street North and North Delaware Avenue. The residence has a white door on the east side of the residence as well as a dark colored door on the south side of the residence. The windows on the south have bars for security. The roof is constructed of light colored asphalt shingles. The residence has a fence around the property and the driveway on the south side of the platt. The residence also has a detached garage. The residence is more commonly known as 4408 North Delaware Avenue, Tulsa, Oklahoma. Attached is a photograph of the residence.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

- Marijuana
- Other Dangerous Controlled Substances

and the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

- Monies Or Unexplained Wealth
- Records And Financial Records In Physical, Digital, Or Electronic Form
- Proof Of Ownership And/Or Employment
- Cellular Phones
- Pagers
- Keys
- Safes
- Surveillance Equipment
- Firearms

Your affiant states that said dangerous substances by reason of their physical structure are easily destroyed, and that there is likelihood that the person in possession of the same will attempt to destroy them. Your affiant further states that there is further likelihood that the foresaid controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the

day.

YOUR AFFIANT FURTHER STATES:

He that he is a police officer for the city of Tulsa Police Department and has been so employed for over ten years. Your affiant has a Bachelor of Behavioral Sciences degree from Hardin-Simmons University in Abilene, Texas. He has also furthered his education by attending graduate level studies for 1 year at the University of Central Oklahoma, in Edmond, Oklahoma. Your affiant further states he is presently assigned to the Street Crimes Unit at the Gilcrease Division. Your Affiant further states that he has been trained in the recognition of controlled dangerous substances by the Tulsa Police academy, as well as informal training received from more experienced narcotic investigators. Your affiant further states that he has participated in numerous arrests involving controlled dangerous substances. He has conducted numerous investigations involving the illegal distribution of controlled dangerous substances.

In July 2008, Officer Frazier received information the subjects at this residence were selling marijuana. Officer Frazier conducted a controlled buy from the residence. After the controlled buy, Officer Frazier obtained a search warrant for the residence. The warrant was executed on the 21st of July, 2008.

In April 2009, officers arrested a subject in the city of Tulsa for possession of Marijuana. The arrestee, hereafter called the Confidential Informant (CI), told officers where he bought his marijuana. The CI said he purchased his marijuana from "JD" and said he could show officers the residence. Officers drove the CI by the residence of 4408 North Delaware Avenue. The CI told officers he had known JD for several years. The CI told officers JD had sold marijuana for several years. The CI told officers he had bought marijuana from JD on multiple occasions from his residence.

On several occasions in the days prior to the 7th of April, Officer James observed the listed residence. During his times of surveillance, Officer James observed short term traffic at the residence. Officer James described the short term traffic as in people would drive up, be inside for a few minutes or less, and then drive away.

Officer Frazier received information from a Reliable Confidential Informant (RCI2) that James Huey was selling marijuana again.

RCI2 has given officers of the Tulsa Police Department information concerning sales and distribution of controlled dangerous substances. In the past, RCI2 has made purchase(s) in controlled buy situations and/or arranged for undercover officers to purchase quantities of controlled dangerous substances. RCI2 has also provided information related to controlled dangerous substance law violators no less than three (3) times, all of which have been confirmed by your affiant or other officers of the Tulsa Police Department. On occasions that officers were assisted by RCI2, officers were able to make controlled dangerous substances related arrests and/or gather enough information/evidence to obtain search warrant(s).

Officers have found that the information provided by RCI2 has been proven to be true on all occasions. Your affiant further states that RCI2 has never offered information regarding sales and distribution of controlled dangerous substances that has not been substantiated or corroborated.

On the 7th of April 2009 at 2150 hours, your affiant and Officer Jenkins went to the residence to arrest James Huey on outstanding municipal traffic warrants. As your affiant and Officer Jenkins were about to knock on the door, both officers smelled the odor associated with burnt marijuana coming from the residence. Officers did not serve the municipal arrest warrants, but left and typed this affidavit.

After conducting a preliminary investigation, officers learned the identity of "JD." JD is actually James Demond Huey, who was born on 30th day of June, 1976. Huey resides at the residence with his parents/grandparents Joe and Ruby Huey. The utilities are paid by LaRhonda Huey, who is likely James Huey's sister. The utilities are current and being paid cash.

Based on the information listed above, your affiant believes that on-going criminal activity, in the form of the illegal use and distribution of illegal drugs, has occurred and continues to occur at 4408 North Delaware Avenue.

Based on your affiant's prior training and experience on controlled dangerous substance investigations,
James Demond Huey

individuals who use and sell controlled dangerous substances often house quantities of illegal substances at their residences and/or businesses with which they are affiliated. These same individuals often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the manufacture and/or sale of controlled dangerous substances, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, lists of buyers and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sale and/or distribute.

Based on your affiant's prior training and experience, he knows that cellular phones are used by drug traffickers to coordinate the sale, transportation, and delivery of controlled dangerous substances. The communications consist of verbal communications or text messages transmitted through the phone. Further, it is common that persons who use cellular phones store the name and number of the persons they communicate with as electronic data in the form of names and phone numbers. Further, many phones are designed to store a record of recently called numbers, recently transmitted text messages, and to electronically store video and photos. Further, some cellular phone users assign photos, songs, or lyrics to frequent callers to identify the caller when a communication is received.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant states that it is common for individuals that distribute and use controlled dangerous substances to do so from their business, as well as keep additional quantities on hand for personal use and resale. Your affiant requests the issuance of a search warrant for the residence to be searched, 4408 North Delaware Avenue.

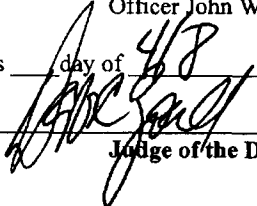

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

- 1. Buccal swabs of defendant's DNA.

constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: 1st Degree Rape.

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging and described as follows:

Ryan Lee Baldwin, a white male, DOB 11/23/1980, 5'10, 180 lbs., brown hair, brown eyes. The defendant resides at David L. Moss Criminal Justice Authority located at 300 N. Denver in Tulsa.

Affiant states that there is probable cause for the issuance of a search warrant because on 11/20/05 the twenty-five year old female victim, Kaylene D. Hair, reported the offense of 1st Degree Rape. The victim stated an unknown male raped her at 1026 E. 34th Street in the City and County of Tulsa.

The victim went to Hillcrest Hospital where a sexual assault exam was performed on the victim. DNA evidence was collected from the victim during the sexual assault exam by the SANE Nurse, Karen Morgan.

On 04/07/2009, the Tulsa Police Department-Forensic Laboratory received information from the Oklahoma State Bureau of Investigation that a search of the state Combined DNA Index System (CODIS) database discovered a potential DNA match from the evidence collected from the victim's sexual assault examination to the defendant's specimen in the data base.

The collection of the defendant's buccal swab is necessary to compare to the evidence collected from the victim's vaginal, external genitalia, and anal swabs during the sexual assault exam.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search the said persons, premises and/or vehicle, and take possession of the property hereinbefore described and detain the same provided by law.

vs.
JAMES RICHARD CANTLIN
Defendant,
SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

1. BUCCAL SWAB OF DEFENDANT'S DNA.

constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: FIRST DEGREE RAPE.

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging and described as follows: James Richard Cantlin, white male, DOB 07/13/1962, 5'08, 160 lbs., brown hair, brown eyes, SS# 430397156. Currently in custody at the David L. Moss Correctional facility located at 300 N. Denver Ave. in Tulsa, Oklahoma, Tulsa County.

Affiant states that there is probable cause for the issuance of a search warrant because on 05/01/09, forty two year old Sally Akins reported the offense of First Degree Rape to the Tulsa Police Department. Akins reported that the defendant is one of several roommates residing at her residence of 2166 N. Kingston Place, in the city limits of Tulsa and within Tulsa County. Akins reported that the defendant has only resided at her residence for a couple of weeks and she has had no prior dating or sexual relationship with the defendant. Each of them maintain separate bedrooms at this residence. Akins reported that on 05/01/09 at approximately 0200 hrs. she was asleep in her bedroom. She reported that she was awakened to the defendant on top of her engaged in penile/vaginal intercourse. She reported that she told the defendant to stop and told him "No", but she was unable to get him off of her due to his weight and that she had taken a tranquilizer earlier before going to bed. Akins reported that after the sexual intercourse the defendant rolled off of her and she was able to run out of the room.

Witnesses in this residence advise that they saw Akins run out of her bedroom, naked from the waist down, crying and saying, "No, no get away from me." Other witnesses in the residence stated that they were awakened by Akins coming into their room crying and saying, "It hurts" and that she had been raped by the defendant.

Akins was transported to Hillcrest Hospital where a sexual assault exam was performed. During the exam, abrasions were discovered inside Akins vagina and she was transferred to the Emergency Room.

The defendant was arrested at the scene and was read his Miranda Rights. The defendant stated that he had been living at Akins residence for approximately one week. The defendant then stated that he did not have to defend himself until he talked with a lawyer and he was too intoxicated to give a statement. The interview was terminated at this point.

A buccal swab of the defendant's DNA is necessary to compare to evidence collected from Akins sexual assault exam.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search the said persons, premises and/or vehicle, and take possession of the property hereinbefore described and detain the same provided by law.

Affidavit of Probable Cause for Search
Warrant

The undersigned Affiant being duly sworn, upon oath
I, Corporal Ronnie Thompson, am a Police Officer for the
City of Collinsville and have been since September, 2002.
As such, I enjoy jurisdiction within the Collinsville City
limits, Tulsa County, State of Oklahoma. This Affiant
further states that I am a CLEET certified peace officer
within the State of Oklahoma. I have received training
relating to various areas of narcotics and controlled
dangerous substances from The Council on Law Enforcement
Education and Training. I have been involved in the
investigation and arrest of numerous individuals within the
Collinsville City limits and Tulsa County that have
violated Title 63 of the Oklahoma State Statutes. This
Affiant states that I have probable cause to believe that
"Methamphetamine" a schedule I controlled dangerous
substance, is now unlawfully, illegally, and willfully
being kept within the Collinsville City limits, Tulsa
County, for the purpose of illegal distribution. I believe
that the aforesaid "Methamphetamine" along with evidence of
the crime of Possession of a Controlled Dangerous Substance
(Methamphetamine) with the Intent to Distribute is now
located about and within the dwelling house and curtilage
thereof and the appurtenances thereto, to include

SW-2009-234

outbuildings, vehicles, and persons located and described as follows:

A red brick apartment. The apartment has a small concrete porch leading to the front or West entrance. To arrive at the residence proceed North from Broadway Street on 11th Street. Travel .4 miles or approximately 5 city blocks to the corner of 11th and Pearl Street. The apartment to be searched address is 713 N. 11th which is the third door down from the south end. It will be the third structured building from the corner of 11th and Pearl street on the east side of the street.

This affiant further states that I have probable cause to believe the aforesaid Controlled Dangerous Substance "Methamphetamine" is located at the above referenced location because of the following facts:

On May 4, 2009 Corporal Linzy of the Collinsville Police Department interviewed a Ronnie "Wayne" Harvey. The informant advised that within the past 24 hours, the informant had been at the above residence and witnessed the possession of 4 or 5 Grams of Methamphetamine. The informant also witnessed the "meth" being bagged up for sells and a set of digital scales next to the bags of Methamphetamine at the residence. The informant advised that within the past 24 hours he received a call from the above named defendant stating that he just "upped" another 4 grams of "Meth". The informant further advised that the informant has witnessed digital weighing scales and packaging baggies in a dresser drawer in a bedroom at the residence.

The Defendant has prior charges for CDS in Tulsa County, as well as, in Collinsville.

Through my experience and knowledge of drug investigations, and based upon my law enforcement training and education, I believe that "Methamphetamine" is present at the above location.

Based upon the forgoing information, affiant prays the Court issue a warrant directed to the Collinsville Police

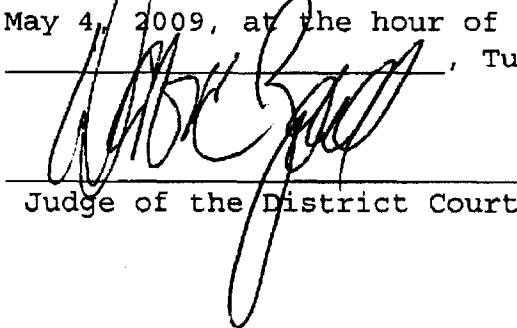

SW-2009-234

Department, Sheriff, his deputies, District Attorney Investigators, any State Peace officer, and any other officer legally empowered to serve said warrant, to make a search during the day of the above described dwelling, including the curtilage, outbuildings, vehicles, and persons which may be found in and upon the property, directing the officers to seize any and all evidence of the crime of Unlawful Possession of Methamphetamine with the Intent to Distribute, also to include any equipment, formulas, telephone answering machine tapes, computer data and discs, drug records, records that reflect dominion and control, receipts, money, and unexplained income, and make a return thereof according to law.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, Detective W.S. Gibson with the Tulsa Police Department, being first duly sworn, depose and says that the following described property: Pictures, film, images, video tape, motion pictures, photographs, books, magazines, documents, in physical, digital, or electronic form, or other representations or presentations which in whole or part depict prepubescent children or children under the age of 18 years involved in sexually explicit conduct, actual or simulated (i.e. sexual intercourse including genital/genital, oral/genital, oral/anal, whether between persons of the same or opposite sex; bestiality; masturbation; sadistic or masochistic abuse; and/or lascivious exhibition of the genitals or pubic area of any person), hereinafter referred to as Child Pornography, also records, correspondence, notes, papers, ledgers, telephone and address books, memoranda, facsimiles, and documents in physical, digital, or electronic form, pertaining to possession, trade, sale, or distribution of child pornography materials, or exploitation of children. Computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media, also any encryption software and keys used to access the system. Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media. Finally, residency papers/documents in physical, digital, or electronic form.

that constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: **Distribute Child Pornography (Title 21 Section 1021).**

The above described property is know in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within certain vehicle (s), and or house, safe(s), building(s), or premises, the curtilage thereof and appurtenances thereunto, belonging to: **Philys Dammann.**

Described as follows: a two story dwelling located near East 100th Street and South Kingston Avenue. The house is north of E.100th St. and on the west side of S. Kingston Ave. The front door faces east. The numbers nine-nine-two-six (9926) are posted on a white placard in black numbers south of the front door. The house has a brown composition shingled roof with a tan vinyl siding, brown trim and red brick exterior. The structure is commonly known as 9926 S. Kingston Ave., Tulsa. The structure is in the City of Tulsa, County of Tulsa, and State of Oklahoma.

Affiant states that there is probable cause for the issuance of a search warrant because he received a National Center for Missing and Exploited Children (NCMEC) Cyber Tipline Report on December 22, 2008 stating that GoDaddy.com, a popular registrant of websites, reported that a person using internet protocol (IP) address 70.142.62.110 uploaded child pornography to a website named zencov.com. Detective David Johnson with the San Jose Police Department viewed the uploaded content and reported that it appeared to be child pornography. He forwarded the case to the Oklahoma State Bureau of Investigations who forwarded the case to the Tulsa Police Department. The IP address checked to AT&T. Legal compliance from an AT&T subpoena showed that the IP address checked to Philys Dammann at 9926 S. Kingston, Tulsa, OK, 74137. The affiant viewed the images as well. The zencov.com page was labeled "KIDS FUCKER TGP" and showed images of prepubescent females performing oral sex and prepubescent females engaged in vaginal to penile contact. Accurint, a popular locate and research tool used by law enforcement, showed a Darrel Walter Dammann and a Phyllis Elaine Dammann living at 9926 S. Kingston Ave., Tulsa OK from October 1974 to April 2009. There was a van parked in the garage and a van parked on the curb near the driveway when the affiant took photos of the home. Both Oklahoma tags, 948BEZ and 305BGL, checked to Darrell Dammann at 9926 S. Kingston Ave., Tulsa, OK.

OVER →

Wherefore, Affiant asks that a search warrant issue according to law, directed to any peace officer of this state, commanding that he search the said persons, premises and/or vehicle, and take possession of the property herein before described and detain the same provided by law.

STATE OF OKLA. TULSA COUNTY

Affidavit of Probable Cause for Search
Warrant

The undersigned affiant being duly sworn, upon oath
says:

I, Corporal Travis Linzy, am a Police Officer for the
Collinsville Police Department and have been so employed
since June, 2000. I hold a Bachelor of Science degree in
Criminal Justice Administration. As such, I enjoy
jurisdiction within the Collinsville City limits, Tulsa
County, State of Oklahoma. This affiant further states that
I am a advanced CLEET certified peace officer within the
State of Oklahoma. I have received training relating to
various areas of narcotics and controlled dangerous
substances from The Council on Law Enforcement Education and
Training (CLEET). I have been involved in the investigation
and arrest of numerous individuals within the Collinsville
City limits and Tulsa County that have violated Title 63 of
the Oklahoma State Statutes. This affiant states that I have
probable cause to believe that "MARIJUANA" a schedule VI
controlled dangerous substance, is now unlawfully,
illegally, and willfully being kept within the Collinsville
City limits, Tulsa County, Oklahoma, for the purpose of
illegal consumption. I believe that the aforesaid
"MARIJUANA" along with evidence of the crime of Possession
of a Controlled Dangerous Substance is now located about and
within the dwelling house and curtilage thereof and the
appurtenances thereto, to include outbuildings, vehicles,
and persons located and described as follows:

To arrive at the residence start at the corner of 16th and Broadway Street, inside the Collinsville City limits, Tulsa County, Oklahoma. Travel .1 miles or one city block North on 16th to the corner of 16th and Oak Street. Then travel West on Oak Street. The house to be search is the second house on the North side of Oak Street.

The residence to be searched is described as a single-family residence with gray siding and red brick at bottom. The front door faces East towards the driveway. There is a small cement porch with a covered roof located at the front of the residence facing south which has a handicap ramp on it. Horizontal brass numbers reading 1612 can be seen over the top of the front porch. The common address is 1612 W. Oak Street, Collinsville, Tulsa County, Oklahoma.

Your affiant has been to and can return to the residence.

Affiant further states that I have probable cause to believe the aforesaid Controlled Dangerous Substance "Marijuana" along with evidence of the crime of Possession of Controlled Dangerous Substance, is located at the above referenced location because of the following facts:

On 05-08-09 I spoke with Collinsville Police Officer, Josh Ray. Officer Ray advised me that within the past four hours he and Officer Sordo had conducted an interview on a Jessie Jason Tow during a field interview. Tow stated that at the above named location, where he lives, he was currently in possession of a large amount of marijuana, scales, bong, and rolling papers. Tow stated that he had a large amount of matches (2 bricks) that he plans on using to cook 'meth'. When asked if he had a Meth lab at his house Tow paused and stated that he don't think so. He was then asked a second time if he had a meth lab and stated ' I'm not sure'. The two bricks of matches were found in a van that Tow was in at the time.

Tow and his Mother, Eva Brazeal were asked for consent to search their house to recover the drugs and drug paraphernalia that Tow stated was in the house, but Brazeal and Tow stated that they did not wish to cooperate without a search warrant. A meth lab has been found in Tow and Brazeals house in the past, as well as drug paraphernalia.

A records check showed that Tow has six (6) felony drug charges and one manufacturing charge out of Tulsa County, the last in 2006. Tow also had a weapon charge out of Tulsa County.

I then checked with Collinsville City Hall Utility Department and the utilities are currently listed in the name of Linda Vickers and have been since April 1996. It showed that the bill is sent to a Brazeal for payment. I also observed that the white 1992 Dodge van that belongs to Brazeal and Tow is currently parked in the street in front of the house.

Based upon the forgoing information, affiant prays the Court issue a warrant directed to the Collinsville Police Department, Sheriff, his deputies, District Attorney Investigators, any State Peace officer, and any other officer legally empowered to serve said warrant, to make a search during the day of the above described dwelling, including the curtilage, outbuildings, vehicles, and persons which may be found in and upon the property, and seize all controlled substance (Marijuana) along with evidence relating to the crime of Possession of Marijuana including drug paraphernalia ,computer data and or discs or other devices on which information can be stored either electronically or digitally, drug records, records to reflect dominion and control, money and unexplained income as well as receipts.

the suspect meant to do employees and customers harm, he was given two bottles containing almost two hundred tablets of Oxycontin in 80mg dosage. Review of the surveillance video revealed the suspect was wearing a cream colored jacket with a hooded sweatshirt underneath, blue jeans, white tennis shoes and a blue baseball cap.

2. That on **03/30/2009** at approximately 2000 hours, two white males entered the Walgreen's located at 3600 W. Washington located within the city of Broken Arrow, County of Tulsa. The suspects walked to the pharmacy area while one individual stepped to the counter and made contact with the victim Eli Wenniger. The suspect told Mr. Wenniger "you have twenty seconds to give me all the Oxycontin". Fearing the suspect meant to do employees and customers harm, he was given one bottle containing Oxycontin in 80mg dosage. Review of the surveillance video revealed the second suspect stayed back away from the counter and then left with the suspect asking for Oxycontin. This individual was wearing a cream colored jacket, blue jeans, white tennis shoes and a baseball cap.
3. Pursuant to this investigation suspects were developed. Detective Ian Buchannan made contact with Ryan Lee Mitchell. Mitchell was positively identified as the suspect that asked for Oxycontin on 03/30/2009. Mitchell identified his half brother Joshua Aaron BOGUE as the second person in the video. Mitchell told police this had been BOGUE's idea and that BOGUE told him what to say. Contact was made with Joshua Aaron BOGUE pursuant to this investigation on 03/30/2009. BOGUE admitted to driving Mitchell to the Walgreen's and admitted to being present during the robbery. BOGUE denied any previous knowledge of the robbery however he led investigators to a stash of twenty four (24) 80 mg Oxycontin in the bedroom of his apartment located at 4019 S. 130th E. Ave. Apt. # 1609 in the city of Tulsa, county of Tulsa. BOGUE also led investigators to the cream colored jacket he wore while standing just behind Mitchell in the 03/30/2009 robbery. BOBUE denied involvement in any other robberies and allowed investigators to take his picture.
4. On 05/05/2009 a photo line-up containing the photograph of Joshua Aaron BOGUE was shown to the 01/28/2009 victim Jeremy Norman. After reviewing this photo array, Norman immediately identified BOGUE as the person that came to the pharmacy counter demanding Oxycontin.
5. That on **04/26/2009** at approximately 0039 hours, a white male entered the Walgreen's located at 950 E. Kenosha located within the city of Broken Arrow, County of Tulsa. The suspect walked directly to the pharmacy counter and made contact with the victim Rick Ochel. The suspect told Mr. Ochel he had "fifteen seconds" to get him "Oxycontin". The suspect then crawled over the counter and produced a knife. Fearing the suspect meant to do employees and customers harm, he was given four bottles containing Oxycontin in 80mg, 40 mg, 20 mg, and 10 mg dosages. The suspect was seen by Shawna Vessey as he entered the store. She recognized this suspect as an individual who has been in the store in the past. Defendant,

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

The residence to be searched is located in a multi-unit apartment building located in the 1000 block of E. 61 Street. This apartment complex is comprised of eight residential structures. The structure to be searched runs north and south. The residence to be searched is located in the northeastern part of the property and is the furthest structure to the northeast that runs north and south. It is a two story structure. This apartment complex is more commonly known as St. Thomas Square. The address for this complex is more commonly known as 1050 East 61 Street. The eight structures are not individually numbered. Each individual apartment is individually numbered. The residence to be searched is located on the second story. The structure has a brown composite roof with brown brick. The door is maroon with beige trim. The front door to the residence faces west. The numbers one, two and eight appears on the front door as 1-2-8. The color of the 1-2-8 is gold and appear to be made of aluminum. The residence is more commonly known as 1050 East 61th Street apartment number 128. The residence to be searched is located in the City of Tulsa, Tulsa County, State of Oklahoma.

The undersigned affiant, being duly sworn, upon oath says, that the following described property:

Stolen Property:

Hewlett Packard laptop computer, 16 inch screen with serial number S2CE90339MP

Power Cords

Proof of Residency

that constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit:

Burglary 2nd Degree

Your affiant further states: That he is a Tulsa Police Officer and has been so employed for over six years. That he is currently assigned to Detective Division and is assigned to the Tulsa Police Burglary Unit.

There is probable cause to believe the above described property is now in the possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain residential apartment belonging to: Cecilia Marie Davenport.

Your affiant states that there is probable cause for the issuance of a search warrant. That he has been assigned to investigate a burglary that occurred at the St. Thomas Square apartments. That the burglary occurred on April 13, 2009. That this burglary occurred at 1050 E. 61 St. apartment number 126. That this burglary was reported to the Tulsa Police Department on April 13, 2009 and documented on TRACIS number 2009022668.

Your affiant states that he has learned the following from his investigation:

On 042109 your affiant spoke with the victim of the burglary, Amanda Elaine Lawson. During a conversation with the victim I learned that Amanda Lawson suspected Cecilia Davenport of committing the burglary or having possession of her stolen laptop computer because Cecilia Davenport had inquired about Lawson's passwords for the computer after the burglary occurred. The computer is password protected. Your affiant was also given the serial number for the computer at this time.

Your affiant states that on May 7, 2009 he again spoke with the victim, Amanda Lawson. Your affiant learned that on May 5, 2009 Lawson went to Cecilia Davenport's apartment, number 1-2-8, to check on her. When Davenport's daughter opened the door victim Lawson saw her laptop computer inside of the apartment. Lawson then saw Davenport try to hide the computer under the couch before granting Lawson entry. Your affiant learned that Amanda Lawson is positive that the computer she saw is her stolen laptop computer.

Your affiant believes that the likelihood of the laptop computer being in the apartment is high because of Amanda Lawson's statements that Cecilia Davenport did not realize that Lawson saw laptop computer or the attempt to conceal it. Your affiant learned that Amanda Lawson did not challenge Cecilia Davenport about possessing her computer at that time because she was fearful that Cecilia Davenport's associates would harm her. Your affiant further states that Cecilia Davenport was suspected by the victim as committing the burglary before she observed her stolen property in Davenport's apartment.

Your affiant states that the defendants and the victim live next door to each other.

Your affiant has confirmed through conversations with the apartment complex security that defendant Cecilia Davenport is on the lease of apartment 128. Your affiant has also confirmed this with Amanda Lawson.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the evidence herein before described, and vehicle in which said evidence is unlawfully kept, deposited or concealed.

STATE OF OKLA TULSA COUNTY

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being duly sworn, upon oath says: that the following described property:

- Stolen Property:
- Xbox gaming system
- Nintendo Wii gaming system
- Apple Macbook laptop computer

that constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit:

Burglary 2nd Degree

The above described property is now in the possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle belonging to: Scott John Sherrod.

Described as follows: an automobile. A brown 1989 Toyota Camry 4-door. The automobile has Oklahoma license plate WMQ-951 and VIN 4T1SV21E9KU017760. The automobile is currently secured in at Storey Wrecker located in Tulsa County, City of Tulsa, Oklahoma at 10 North Elwood Avenue.

Your affiant states that there is probable cause for the issuance of a search warrant. Your affiant was assigned to investigate a Burglary 2nd Degree that occurred on March 23, 2009 at 3811 S. Rockford Avenue. This burglary was witnessed by the victim. The victim observed the suspect and followed him. The victim observed the suspect enter a brown or gold Toyota Camry with Oklahoma license plate WQM-951. Investigation revealed that this plate was actually WMQ-951. This vehicle is registered to Scott John Sherrod. The victim positively identified Scott John Sherrod from a six man photo line-up.

On April 6, 2009 Detective J. Bennett and your affiant located Scott John Sherrod. He was arrested after detectives located stolen property on his person and inside his residence. Scott John Sherrod gave deceptive statements as to the location of his Toyota Camry. Sherrod had stated that he sold the vehicle, to a man that he would only identify as a drug dealer, and that this man lived on the other side of East 71st Street. Sherrod would not identify the person that he sold the vehicle to and told me that he sold the vehicle only a week or two before.

Detective Bennett and I located Sherrod's vehicle parked a few spaces down from his apartment even though he had stated that he sold it to a man that lived much further away from his apartment complex. The vehicle was locked and there was no visible evidence of a transfer of ownership. Sherrod could not or would not provide a bill of sale. The vehicle appeared very dirty including the windows which is common for a vehicle that has sat undisturbed for a period of time. Although the vehicle was locked I could see what was possibly a gray computer bag under the passenger seat.

As of April 7, 2009 the vehicle is still registered to Scott John Sherrod. Two weeks is more than enough time for a person to have a newly purchased vehicle title transferred to their name and this transfer would be instantly updated with Oklahoma Tax Commission records by tag agency personnel.

Your affiant towed this vehicle to Storey Wrecker with a hold for Burglary Detectives.

Additionally when Sherrod was arrested on April 6, 2009 Detectives located property reported stolen from another victim. Based on my training and experience Sherrod's admitted drug abuse problems, his lack of employment and the multiple victims linked to him by evidence leads me to believe that Sherrod may be responsible for more burglaries and that he has stored stolen items in his vehicle. He has been witnessed by one burglary victim as using this vehicle to facilitate his escape when caught inside the victim's residence. Property was taken during this burglary.

The affiant states that based on the above information that there is probable cause to believe that the offense of Burglary Second Degree did occur and that the defendant is the person who committed the offense. The affiant

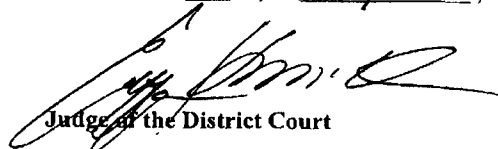

further states that based on the above information that by being allowed search this vehicle to collect property reported stolen which will provide proof concerning the guilt or innocence of the defendant in this matter.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of the property herein before described and detain the same provided by law.

RCS informed your affiant that within the past seventy-two (72) hours, RCS had been to the storage unit to be searched. While present in the storage unit to be searched, RCS saw items used in the use and/or distribution of steroids. RCS is familiar with the appearance and packaging of steroids and items associated with them, such as bottles/vials, labels, and syringes, as RCS had been involved in the use and/or distribution of steroids in the past. RCS stated that the items associated with steroids, to include, but not limited to bottles/vials, labels, and syringes were consistent to that which RCS had seen in the past. RCS stated specifically RCS had observed at least one (1) label upon which was written "Testosterone", which RCS and your affiant know to be one (1) type of steroid.

RCS has given officers of the Tulsa Police Department's Special Investigations Division information concerning sales and distribution of controlled dangerous substances. In the past, RCS has made purchase(s) in controlled buy situations and/or arranged for undercover officers to purchase quantities of controlled dangerous substances. RCS has also provided information related to controlled dangerous substance law violators no less than ten (10) times, all of which have been confirmed by your affiant or other officers of the Special Investigations Division. On occasions that officers were assisted by RCS, officers were able to make controlled dangerous substances related arrests and/or obtain search warrants. Suspects arrested subsequent to information received from RCS have been convicted successfully or presently have cases pending in Tulsa County district court.

Officers have found that the information provided by RCS to your affiant has been proven to be true on all occasions. Your affiant further states that RCS has never offered information to your affiant regarding sales and distribution of controlled dangerous substances that has not been substantiated or corroborated.

RCS has been responsible for assisting law enforcement in the issuance of search warrants and the recovery of controlled dangerous substances and as a result of the investigations arrests have been made.

On April 22, 2009, Officer M. Irwin verified the storage unit to be searched, 12010 South Elm, Unit 835, Jenks, Oklahoma is in Tulsa County.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who use and sell controlled dangerous substances often house additional quantities of illegal substances at places other than their residences to avoid detection by Law Enforcement. These same individuals often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the manufacture and/or sale of controlled dangerous substances, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, lists of buyers and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sale and/or distribute.

Based on your affiant's prior training and experience, he knows that cellular phones are used by drug traffickers to coordinate the sale, transportation, and delivery of controlled dangerous substances. The communications consist of verbal communications or text messages transmitted through the phone. Further, it is common that persons who use cellular phones store the name and number of the persons they communicate with as electronic data in the form of names and phone numbers. Further, many phones are designed to store a record of recently called numbers, recently transmitted text messages, and to electronically store video and photos. Further, some cellular phone users assign photos, songs, or lyrics to frequent callers to identify the caller when a communication is received.

Your affiant requests the issuance of a search warrant for the location to be searched, 12010 South Elm, Unit 835, Jenks, Oklahoma.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, persons, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

THE RESIDENCE TO BE SEARCHED IS A MULTI-STORY, SINGLE FAMILY RESIDENCE LOCATED IN THE 3400 BLOCK OF SOUTH 149TH EAST AVENUE. THE RESIDENCE TO BE SEARCHED IS THE TWELFTH STRUCTURE NORTH OF EAST 36TH STREET AND IS LOCATED ON THE WESTSIDE OF 149TH EAST AVENUE. THE RESIDENCE TO BE SEARCHED IS CONSTRUCTED OF TAN SIDING WITH BROWN TRIM AND HAS A GREY COMPOSITE ROOF. THE FRONT ENTRANCE IS COMPOSED OF AN INNER AND OUTER DOOR AND FACES EAST. THE OUTER DOOR IS COMPOSED OF A BLACK METAL FRAME AND GLASS WHILE THE INNER DOOR IS TAN AND OFF-WHITE. THE NUMBERS 3-4-6-0 ARE WHITE IN COLOR ON A TAN BACKGROUND, FACE EAST, AND ARE DISPLAYED HORIZONTALLY JUST ABOVE THE GARAGE DOOR ON THE END OF THE DOOR. THE RESIDENCE TO BE SEARCHED. THE RESIDENCE TO BE SEARCHED IS MORE COMMONLY KNOWN AS 3460 SOUTH 149TH EAST AVENUE. THE RESIDENCE TO BE SEARCHED IS LOCATED WITHIN THE CITY OF TULSA, TULSA COUNTY, STATE OF OKLAHOMA.

The named defendant(s), or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

MDMA (Methylenedioxymethamphetamine), FRUITS, INSTRUMENTALITIES, AND OTHER CONTROLLED DANGEROUS SUBSTANCES

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

MONIES OR UNEXPLAINED WEALTH, RECORDS AND FINANCIAL RECORDS IN PHYSICAL, DIGITAL, OR ELECTRONIC FORM, PROOF OF RESIDENCY, CELLULAR PHONES, PAGERS, KEYS, SAFES, SURVEILLANCE EQUIPMENT, AND FIREARMS

Affiant further states that said dangerous substances by reason of their physical structure are easily destroyed and that there is likelihood that the person in possession of the same will attempt to destroy them, and that there is further likelihood that the foresaid, controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

YOUR AFFIANT FURTHER STATES: HE IS A POLICE OFFICER FOR THE CITY OF TULSA POLICE DEPARTMENT AND HAS BEEN SO EMPLOYED FOR OVER SEVEN YEARS. YOUR AFFIANT RECIEVED A BACHELORS DEGREE IN SOCIOLOGY FROM SAINT NORBERT COLLEGE (DEPERE, WISCONSIN). YOUR AFFIANT FURTHER STATES HE IS PRESENTLY ASSIGNED TO THE RIVERSIDE DIVISION DIRECTED PATROL UNIT. YOUR AFFIANT FURTHER STATES THAT HE HAS BEEN TRAINED IN THE RECOGNITION OF CONTROLLED DANGEROUS SUBSTANCES BY THE TULSA POLICE ACADEMY. YOUR AFFIANT FURTHER STATES HE HAS ATTENDED A NATIONAL TACTICAL OFFICERS ASSOCIATION COURSE ON SEARCH WARRANT PLANNING AND EXECUTION. YOUR AFFIANT FURTHER STATES THAT HE HAS ATTENDED THE REID SCHOOL OF INTERVIEW AND INTERROGATION. YOUR AFFIANT FURTHER STATES HE HAS PARTICIPATED IN NUMEROUS ARRESTS INVOLVING CONTROLLED DANGEROUS SUBSTANCES AND IS FAMILIAR WITH HOW DRUGS ARE PACKAGED AND SOLD.

Within the last seventy-two hours your Affiant met with a confidential informant (hereafter referred to as CI). CI told your Affiant of a house where "Ecstasy" was constantly being sold. Through your Affiant's training and experience he knows "Ecstasy" to be street slang for MDMA, a controlled dangerous substance. CI told your Affiant that a white male and white female that CI knows as "Matt" and "Heather" are selling "Ecstasy" out of this house on an on-going basis. CI pointed out to your Affiant the residence to be searched, 3460 South 149th East Avenue, as the residence from which Matt and Heather were selling "Ecstasy". CI further stated that they have gone to this residence on several occasions in the past to purchase "Ecstasy" and they have always had it on-hand for sale.

Officers searched the CI for monies and narcotics, and none were found. Your Affiant accompanied the CI to 3460 South 149th East Avenue. At no time during the transaction was the CI out of view of officers except while inside the residence. CI did not make contact with any individual while walking to the residence to be searched. During the time that CI was inside the residence to be searched, officers did not observe any other person enter the residence. A few moments later the CI came out of the residence and proceeded to a prearranged meeting spot where CI handed Officer D. Shipley a number of pills. CI stated that they purchased the pills from Matt and Heather. CI stated that Matt and Heather indicated to CI that they were free to return in the future to purchase "Ecstasy". Officer Darin Shipley conducted a field test on one of the pills with a presumptive positive result for MDMA and turned them in at the Riverside Division Property Room.

A check of the utilities for the residence to be searched shows a Heather Williams is currently paying the utilities at this residence. A check of TRACIS currently lists both Heather Lee Williams (D.O.B. 07-11-72) and James Matthew Williams (D.O.B. 12-13-73) with an address of 3460 South 149th East Avenue.

Based on your affiant's prior training and experience on controlled dangerous substances investigations, individuals who use and sell controlled dangerous substances often keep weapons and firearms to use for protection, paraphernalia, instrumentalities, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic forms, lists of buyer and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sell and/or distribute.

Based on your affiant's prior training and experience on controlled dangerous substances investigations, individuals who commonly use and/or sell quantities of controlled dangerous substances have visitors, friends, and customers who visit their residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant requests the issuance of a search warrant for the above residence, 3460 South 149th East Avenue, City and County of Tulsa, State of Oklahoma.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia herein before described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLAHOMA, TULSA COUNTY

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, persons, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

The residence to be searched is an apartment within a multi-family, multi-story dwelling located within the Brixton Square Apartments. The complex is located in the 5300 block of East 47th Place. The building, in which the apartment to be searched is contained in the first structure north of East 47th Place and the first structure east of South Darlington Avenue. The building is on the south edge of the complex. The building is constructed of gray siding with white trim. The apartment to be searched is on the first floor of that building. The numbers 5307 are affixed on the south side of the building on the east end and are white with a red background. The front door to the apartment to be searched is gray in color and faces south. "1-E" is displayed on the door at eye level and is white in color on a gray background. The apartment to be searched is on the south side of the building and is the second apartment from the east on the first floor of the structure. This location is more commonly known as 5307 East 47th Place Apartment 1E. The residence to be searched is located within the City and County of Tulsa, State of Oklahoma.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

MARIJUANA, FRUITS, INSTRUMENTALITIES, AND OTHER CONTROLLED DANGEROUS SUBSTANCES

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

MONIES OR UNEXPLAINED WEALTH, RECORDS AND FINANCIAL RECORDS IN PHYSICAL, DIGITAL, OR ELECTRONIC FORM, PROOF OF RESIDENCY, CELLULAR PHONES, PAGERS, KEYS, SAFES, SURVEILLANCE EQUIPMENT, STOLEN ITEMS, AND FIREARMS

Affiant further states that said dangerous substances by reason of their physical structure are easily destroyed and that there is likelihood that the person in possession of the same will attempt to destroy them, and that there is further likelihood that the foresaid, controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

YOUR AFFIANT FURTHER STATES: HE IS A POLICE OFFICER FOR THE CITY OF TULSA POLICE DEPARTMENT AND HAS BEEN SO EMPLOYED FOR OVER SEVEN YEARS. YOUR AFFIANT RECIEVED A BACHELORS DEGREE IN SOCIOLOGY FROM SAINT NORBERT COLLEGE (DEPERE, WISCONSIN). YOUR AFFIANT FURTHER STATES HE IS PRESENTLY ASSIGNED TO THE RIVERSIDE DIVISION DIRECTED PATROL UNIT. YOUR AFFIANT FURTHER STATES THAT HE HAS BEEN TRAINED IN THE RECOGNITION OF CONTROLLED DANGEROUS SUBSTANCES BY THE TULSA POLICE ACADEMY. YOUR AFFIANT FURTHER STATES HE HAS ATTENDED A NATIONAL TACTICAL OFFICERS ASSOCIATION COURSE ON SEARCH WARRANT PLANNING AND EXECUTION. YOUR AFFIANT FURTHER STATES THAT HE HAS ATTENDED THE REID SCHOOL OF INTERVIEW AND INTERROGATION. YOUR AFFIANT FURTHER STATES HE HAS PARTICIPATED IN NUMEROUS ARRESTS INVOLVING CONTROLLED DANGEROUS SUBSTANCES AND IS FAMILIAR WITH HOW DRUGS ARE PACKAGED AND SOLD.

That on 04-01-2009 at about 1945 hours Officer Dan Embry was contacted by a confidential informant (hereafter referred to as CI) in reference to the distribution of marijuana at 5307 East 47th Place Apartment 1E which CI stated is in the Brixton Square apartment complex. CI told Officer Embry that about twenty minutes earlier CI was inside of this location and saw a significant quantity of what he believed to be marijuana prepackaged for sale. CI also stated that while inside of this residence he witnessed a tall, skinny, white male conduct multiple hand-to hand transactions involving the sale of this prepackaged marijuana.

SALLY HOWE SMITH
-SA COUNTY CLERK
09 MAY 13 AM 8:51

On 04-01-2009 at about 2200 hours Your Affiant, and Officers Darin Shipley and Linda Hanna approached 5307 East 47th Place Apartment 1E. All officers were working in a plainclothes capacity at this time and no uniformed officers were present. As officers approached your Affiant saw that all of the lights inside were on and could also hear voices coming from inside of the apartment. Your Affiant then knocked lightly on the door and a male voice from inside stated "Who is it?" Your Affiant then replied "Chris O'Keefe". The apartment door then came open and a tall skinny white male was standing in the door way. Your Affiant then showed the individual that open the door his Tulsa Police badge, identified himself as a Tulsa Police Officer, and asked to speak with him. As Your Affiant was making this statement he noticed a strong odor of marijuana coming from inside of the apartment. Your Affiant also saw a quantity of marijuana on top of a ledge near the kitchen, and an infant about 6 months old in a swing in the living room. After Your Affiant finished identifying himself as a Tulsa Police Officer the individual that opened the door became aggressive, stepped towards your Affiant and cursed by saying "Fuck this", and then slammed the door shut.

Because Your Affiant now feared that the subject would destroy evidence just seen in plain view and also fearing for the safety of an infant being exposed to an environment where marijuana was being smoked Your Affiant believed exigent circumstances existed to justify forced entry into the apartment to prevent the destruction of evidence and to remove the infant from a harmful environment.

Your Affiant then forced the door open by kicking it several times until it opened. Your Affiant then saw the same male that had just slammed the door shut standing by the kitchen. Officers then ordered him to the door where he was taken into custody. Then a second person, an Indian female, entered the living room. Officers then ordered her to the front door where she was taken into custody. Your Affiant then did a protective sweep of the apartment to ensure that there was nothing/no one inside of the residence that could harm officers. While conducting this sweep your affiant observed the original marijuana that he observed from the doorway plus an additional quantity of marijuana on the kitchen counter. Also located on the kitchen counter was a set of digital scales, plastic baggies, and a black lock box. Based on your Affiants prior training and experience he knows that digital scales and plastic baggies are used for the packaging and sale of marijuana and other controlled dangerous substances.

Your Affiant then searched the white male, who was under arrest for possession of marijuana, and found information in his wallet which identified him as Damon Shirrel. Also located in his pocket was a significant quantity of U.S. Currency. The Indian female was identified as Monica Shirrel, Damon Shirrel's wife.

Also, Your Affiant requests night service as all of the residents of this apartment have been taken into custody and therefore no one is present to be disturbed by service in the night time.

Based on Your Affiant's prior training and experience on controlled dangerous substances investigations, individuals who use and sell controlled dangerous substances often keep weapons and firearms to use for protection, paraphernalia, instrumentalities, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic forms, lists of buyer and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sell and/or distribute.

Based on Your Affiant's prior training and experience on controlled dangerous substances investigations, individuals who commonly use and/or sell quantities of controlled dangerous substances have visitors, friends, and customers who visit their residence. Your Affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your Affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your Affiant requests the issuance of a search warrant for the above residence, 5307 East 47th Place Apartment 1E City and County of Tulsa, State of Oklahoma.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia herein before described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLAHOMA, TULSA COUNTY

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, persons, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

THE RESIDENCE TO BE SEARCHED IS AN APARTMENT IN A SINGLE-STORY, MULTI-UNIT APARTMENT BUILDING LOCATED IN THE 1200 BLOCK OF EAST 63RD STREET. THE BUILDING IN WHICH THE APARTMENT TO BE SEARCHED IS CONTAINED IS THE SEVENTH STRUCTURE WEST OF SOUTH PEORIA AVENUE AND IS LOCATED ON THE NORTH SIDE OF EAST 63RD STREET. THE BUILDING IS CONSTRUCTED OF BROWN SIDING AND BROWN BRICK WITH A GRAY COMPOSITE ROOF. THE NUMBERS 1-2-0-1, ARE LOCATED ON THE SOUTH SIDE OF THE BUILDING, FACE SOUTH, AND ARE BLACK IN COLOR ON A WHITE BACKGROUND. THE FRONT DOOR OF THE APARTMENT TO BE SEARCHED IS BROWN IN COLOR, FACES EAST, AND IS THE THIRD DOOR FROM THE SOUTH END OF THE BUILDING. THE LETTER "B" IS DISPLAYED JUST TO THE LEFT OF THE FRONT DOOR TO THE APARTMENT. IT IS BLACK ON A WHITE BACKGROUND AND IS DISPLAYED AT ABOUT EYE-LEVEL. THIS LOCATION IS MORE COMMONLY KNOWN AS 1201 EAST 63RD STREET APARTMENT B. THE RESIDENCE TO BE SEARCHED IS LOCATED WITHIN THE CITY AND COUNTY OF TULSA, STATE OF OKLAHOMA.

The named defendant(s), or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

COCAINE, FRUITS, INSTRUMENTALITIES, AND OTHER CONTROLLED DANGEROUS SUBSTANCES

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

MONIES OR UNEXPLAINED WEALTH, RECORDS AND FINANCIAL RECORDS IN PHYSICAL, DIGITAL, OR ELECTRONIC FORM, PROOF OF RESIDENCY, CELLULAR PHONES, PAGERS, KEYS, SAFES, SURVEILLANCE EQUIPMENT, AND FIREARMS

Affiant further states that said dangerous substances by reason of their physical structure are easily destroyed and that there is likelihood that the person in possession of the same will attempt to destroy them, and that there is further likelihood that the foresaid, controlled dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

YOUR AFFIANT FURTHER STATES: HE IS A POLICE OFFICER FOR THE CITY OF TULSA POLICE DEPARTMENT AND HAS BEEN SO EMPLOYED FOR OVER SEVEN YEARS. YOUR AFFIANT RECIEVED A BACHELORS DEGREE IN SOCIOLOGY FROM SAINT NORBERT COLLEGE (DEPERE, WISCONSIN). YOUR AFFIANT FURTHER STATES HE IS PRESENTLY ASSIGNED TO THE RIVERSIDE DIVISION DIRECTED PATROL UNIT. YOUR AFFIANT FURTHER STATES THAT HE HAS BEEN TRAINED IN THE RECOGNITION OF CONTROLLED DANGEROUS SUBSTANCES BY THE TULSA POLICE ACADEMY. YOUR AFFIANT FURTHER STATES HE HAS ATTENDED A NATIONAL TACTICAL OFFICERS ASSOCIATION COURSE ON SEARCH WARRANT PLANNING AND EXECUTION. YOUR AFFIANT FURTHER STATES THAT HE HAS ATTENDED THE REID SCHOOL OF INTERVIEW AND INTERROGATION. YOUR AFFIANT FURTHER STATES HE HAS PARTICIPATED IN NUMEROUS ARRESTS INVOLVING CONTROLLED DANGEROUS SUBSTANCES AND IS FAMILIAR WITH HOW DRUGS ARE PACKAGED AND SOLD.

Within the last seventy-two hours your Affiant met with a confidential informant (hereafter referred to as CI). CI told your Affiant of an apartment where "Crack" was constantly being sold. Through your Affiant's training and experience he knows "Crack" to be street slang for rock cocaine, a controlled dangerous substance. CI told your Affiant that a black male that CI knows as "Fat Daddy" is selling "Crack" out of this apartment on an on-going basis. CI pointed out to your Affiant the residence to be searched, 1201 East 63rd Street Apartment B, as the residence from which "Fat Daddy" was selling "Crack". CI further stated that they have gone to this residence on several occasions in the past to purchase "Crack" and they have always had it on-hand for sale.

Officers searched the CI for monies and narcotics, and none were found. Your affiant then gave CI a quantity of U.S. Currency and accompanied the CI to 1201 East 63rd Street Apartment B. At no time during the transaction was the CI out of view of officers except while inside the residence. CI did not make contact with any individual while walking to the residence to be searched. During the time that CI was inside the residence to be searched, officers did not observe any other person enter the residence. A few moments later the CI came out of the residence and proceeded to a prearranged meeting spot where CI handed Officer K. Murray a piece of tan rock-like substance. CI stated that they purchased the "Crack" from "Fat Daddy". CI stated that "Fat Daddy" indicated to CI that they were free to return in the future to purchase "Crack". CI was again searched and the quantity of U.S. Currency CI was given was gone. Your Affiant conducted a field test on the tan rock-like substance with a presumptive positive result for cocaine and turned it in at the Riverside Division Property Room.

Based on your affiant's prior training and experience on controlled dangerous substances investigations, individuals who use and sell controlled dangerous substances often keep weapons and firearms to use for protection, paraphernalia, instrumentalities, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic forms, lists of buyer and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sell and/or distribute.

Based on your affiant's prior training and experience on controlled dangerous substances investigations, individuals who commonly use and/or sell quantities of controlled dangerous substances have visitors, friends, and customers who visit their residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant requests the issuance of a search warrant for the above residence, 1201 E 63rd Street Apartment B, City and County of Tulsa, State of Oklahoma.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia herein before described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

SALLY HOWE SMITH, COURT CLERK
 STATE OF OKLA. TULSA COUNTY

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

- Firearms
- Body Armor
- Counterfeit Currency
- Computers, Printers or Other Instrumentalities Used to Manufacture Currency
- Proof of Residency
- Related Documents

that constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: **Possession of a Firearm, AFCF and Possession of Counterfeit Currency, AFCF.**

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging to: **James Shanklin.**

The residence is described as follows:

The residence is near the intersection of West Brady Street and North Gilcrease Museum Road, in the city and county of Tulsa, Oklahoma. The residence is the second (2nd) structure from the north western corner of the intersection of West Brady Street and North Gilcrease Museum Road. The residence is a single story residence which has a sloped brown asphalt shingled roof, yellow exterior with brown shutters. The residence faces south and looks at West Brady Street, which also serves as the access ramp to HWY 64/51 West. The residence is more commonly known as 2517 West Brady Street, Tulsa, Oklahoma, 74127. Attached are photographs of the residence to be searched.

Affiant states that there is probable cause for the issuance of a search warrant because,

On the 7th of May, 2009, at approximately 0300 hours, Officer Persaud received a call to investigate counterfeit currency. Officer Persaud was called to the listed address and was told by dispatchers to speak with the defendant. The defendant had called officers to his residence. When Officer Persaud arrived, he spoke with the defendant.

When Officer Persaud arrived the defendant invited officers inside and stated he just went to Quik-Trip at 229 North Gilcrease Museum Road and unknowingly attempted to purchase food with a counterfeit \$50.00 bill. The defendant stated he tried to pay the QT clerk with the bill and the clerk marked the bill with a test marker. The clerk told him that the bill was bad, or counterfeit. The defendant stated he came home right away then wrote "FAKE" on the bill with his own test marker.

The defendant stated to Officer Persaud he pawned his computer sometime between the 2nd of May 2009 and the 6th of May 2009. The day after he pawned his computer, probably the 7th of May 2009, the defendant returned to the pawn shop to pay for his property. The defendant said he pawned his computer for \$120.00 and when he returned to pick up the computer, he gave the pawn broker at the counter two \$100.00 bills. The defendant added that the pawn broker presented him with one \$50.00 bill, two \$20.00

TULSA COUNTY DISTRICT COURT
 CLERK
 MAY 13 2009

bills and one 10.00 bill. The defendant said the pawn employee realized she had given him too much money, picked it all up from the counter, removed one \$20.00 bill and handed the rest back to him. The defendant inferred the counterfeit bills came from the pawn shop. The defendant said he did not realize the bill was bad until the QT clerk pointed it out to him.

As Officer Persaud was speaking with the defendant inside the defendant's residence, Officer Persaud observed a firearm, more specifically a pistol in plain view. Officer Persaud described the pistol as a black polymer framed, blue steel automatic in a holster, which would resemble that of a policeman's.

The defendant told Officer Persaud that he had a security company, inferring the need for the equipment. The above firearm was on his "duty belt." The duty belt is a common description for a utility belt police officers use. On a policeman's utility belt, there is normally handcuffs, a baton (either flexible or wood), defensive spray of some sort and a magazines for the pistol being carried. Officer Persaud described the defendant's duty belt in the same manner. Officer Persaud also observed body armor in plain view.

Officer Persaud asked the defendant if he could turn in the \$50 that the defendant was trying to make a report about in as evidence. The defendant's \$50 bill was taken from the defendant's residence, transported to the Gilcrease Division (GID) and turned into the property room as evidence. The \$50 bill was turned in under property receipt BD7770.

Not knowing the defendant was a convicted felon at that point, Officer Persaud left the residence.

Officer Persaud observed some discrepancies in the defendant's statement about how he acquired the counterfeit bills and the way they were attempting to be passed. Officer Persaud said he could tell the defendant was trying to deceive officers at the report call and ultimately called officers to preemptively remove suspicion from him. The defendant was trying to appear honest about having a counterfeit bill by calling officers to make a report before officers spoke with the Quik-Trip attendant who was inevitably going to make a report on the attempt also.

After learning the defendant had not been truthful about trying to pass the bill at the convenience store, Officer Persaud attained a background check. The defendant shows to have a previous criminal convictions. Officers learned of the convictions from two (2) sources, the first source a NCIC background check, the other from the Oklahoma Department of Corrections Website (OKDOC). Below is a table of the defendant's criminal convictions:

<i>Crime</i>	<i>Location</i>	<i>Case Number</i>	<i>Sentence</i>
Larceny of Merchandise From a Retailer	Payne County, Oklahoma	CF-93-563	1 Year
Grand Larceny	Payne County, Oklahoma	CF-94-490	1 Year
Carry Weapon W/Intent to Injure	Payne County Oklahoma	CF-94-657	1 Year
Carry Firearms After Conviction or While on Probation (Possession of Imitation Firearm)	Payne County, Oklahoma	CF-04-597	5 Years
Obtaining Money or Properties by Bogus Check	Payne County, Oklahoma	CF-04-604	5 years

Utilities databases show that James Shanklin was responsible for the necessities at the residence. According to the Utility check, the defendant made an initial deposit on the water service in March 2007 and has been responsible for the monthly bill since that time. The defendant has also used the above address from a previous arrest. The residence was listed by the defendant as his home while officers were booking him into the Tulsa County Jail in 2008.

The defendant was identified by his state identification and by self proclamation. The defendant identified himself as James Shanklin. Shanklin is identified as a black male, approximately 5'2" tall, weighing 185 pounds, with black hair and brown eyes. The defendant was born on the 8th of June, 1974. The defendant has a social security number of 513-72-8555. The defendant's Oklahoma driver's license number is P081063857. Attached is a recent photograph of the defendant.

It is not uncommon for persons involved in fraud schemes to attempt to present an appearance of honesty. The appearance of honesty to officers makes the defendant's claim to being accidentally or inadvertently involved in criminal activity makes the incident harder to prosecute in a court of law.

It is also not uncommon for those to have already have participated in fraud schemes to attempt other fraud schemes. The defendant has a history of convictions of theft and gaining monies/property fraudulently. These fraudulent convictions have given him incarceration time. In previous conversations with convicted felons, those felons have told your affiant that when they were in prison, they were given the opportunity to have contact with individuals who have committed similar crimes and collectively they have honed their skills. Many who participate in fraud schemes require the skills of on the usage of computers and other digital imaging equipment to further their crimes.

For more information on this incident, see TRACIS numbers 2009-028693 and 2009-029180. The residence appears to have a private drive, but the actual address is the listed location. The residence is in the city and county of Tulsa, Oklahoma.

Your affiant request to search the residence for evidence related to the listed crimes.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any peace officer of this state, commanding that he search the said persons, premises and/or vehicle, and take possession of the property herein before described and detain the same provided by law. Your affiant requests day service.

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being duly sworn, upon oath says: that in Tulsa County, Oklahoma, at and upon or within a certain vehicle, house, building, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

The apartment to be searched is located in an apartment complex in the 6400 block of East Pine Street. The apartment complex is known as the Pine Apartments. The apartment to be searched is the second structure south of East Pine Street and the third structure East of North Maplewood Avenue. The building the apartment is contained in is constructed of tan siding with white trim. The building has a sloped roof with brown composite shingles. The apartment to be searched is the furthest north apartment on the north end of the building. The front door of the apartment to be searched faces west and is tan in color. The number 4 is orange in color and affixed on a white background to the right of the front door. The mailbox to the apartment is black in color and affixed to the right of the front door. The residence is more commonly known as 6302 East Pine Street Apartment 4, Tulsa, Oklahoma 74115. The residence to be searched is located in the City and County of Tulsa, State of Oklahoma.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

MARIHUANA, FRUITS, INSTRUMENTALITIES AND OTHER CONTROLLED DANGEROUS SUBSTANCES

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Further, your affiant prays that the Court will grant law enforcement officers conducting the service of this search warrant permission to seize other items commonly used to facilitate the use and distribution of controlled substances, to wit:

MONEY OR UNEXPLAINED WEALTH, RECORDS AND FINANCIAL RECORDS IN PHYSICAL, DIGITAL, OR ELECTRONIC FORM, PROOF OF RESIDENCY, CELLULAR PHONES, PAGERS, KEYS, SAFES, SURVEILLANCE EQUIPMENT, FIREARMS

YOUR AFFIANT FURTHER STATES:

That he is a police officer for the city of Tulsa Police Department and has been so employed for more than twelve years. Your affiant is presently assigned to the Gilcrease Division Directed Patrol Unit and is currently working as a narcotics investigator. Your affiant has been trained in the recognition of controlled dangerous substances by the Tulsa Police Academy, as well as informal training received from more experienced narcotics investigators. Your affiant states that he has acquired the CLEET Basic Level Peace Officer Certification in the State of Oklahoma. Your affiant states that he attended the Gangs 101 Training presented by the Oklahoma Gang Investigators Association. Your affiant states he has completed the Tulsa Police Basic Investigations Class. Your affiant further states, that he has received formal and informal training in the recognition of controlled drugs.

Within the past month your affiant has received information from a confidential informant (herein referred to as CI) that they know a white male named "Tyler Cosby" who is selling marijuana at an apartment near Pine Street and Sheridan Road. The CI was transported to the area and identified 6302 East Pine Street Apt. 4, as "Cosby's" residence.

The CI stated that they have purchased marijuana from "Cosby" in the past. The CI stated that they could go

to the residence any time and purchase marijuana from "Cosby". The CI stated they have observed "Cosby" in possession of marijuana that is packaged for sale in the recent past at the residence to be searched.

Within the past 72 hours the CI agreed to complete a controlled purchase of marijuana from "Cosby". The CI and his/her vehicle were searched prior to the controlled purchase. No illegal narcotics or U.S. Currency were discovered in either the vehicle or on the CI's person. The affiant states he provided the CI with an amount of US Currency to complete the controlled purchase. The affiant states he followed the CI to the Pine Apartments located at 6302 East Pine Street. Surveillance officers kept a constant surveillance on the CI while in route to the location the CI did not stop at any location or meet with anyone while in route to the target location. The affiant states the CI exited their vehicle and approached the front door of the Apartment 4.

The CI knocked on the door and was granted entry into the apartment. A short time later the CI exited the residence and returned to their vehicle. The affiant states no other subjects entered or exited the apartment while the CI was inside. The CI immediately drove from the apartment to the pre-determined meeting location and handed the affiant a baggie containing a leafy green substance. The affiant states, that he immediately identified the leafy green substance to be marijuana. During the controlled purchase the CI did not have contact with any other individuals other than individuals inside Apartment 408. Surveillance officers kept constant surveillance on the CI from the apartment to the pre-determined meeting location. The CI did not have any contact with other subjects while traveling to the pre-determined meeting location.

The CI stated they had purchased the marijuana from "Cosby" while inside Apartment 4. The CI was searched after being followed back to the pre determined meeting location, and no additional marijuana or US Currency was discovered. The U.S. Currency provided to the CI to purchase the marijuana was no longer on their person.

The CI stated that "Cosby" has stated that they can return to Apartment 4 at any time to purchase additional quantities of marijuana.

The above information indicates that "Cosby" is selling/possessing marijuana on an ongoing basis.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who use or sell controlled dangerous substances often house additional quantities of illegal substances at places other than their residences to avoid detection by Law Enforcement. These same individuals often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the manufacture and/or sale of marihuana, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, list buyers and sellers names, computer and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sell and /or distribute.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your affiant requests the issuance of a search warrant for 6302 East Pine Street Apartment # 4.
FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia herein before described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

AFFIDAVIT FOR SEARCH WARRANT MAY 14 2009

The undersigned, affiant duly sworn, upon oath says: that in Tulsa County, Oklahoma, I have within a certain vehicle, house, building, or premises, the curtilage thereof and the appurtenance thereto belonging, described as follows:

A SINGLE STORY, SINGLE FAMILY RESIDENCE LOCATED IN THE 11600 BLOCK OF EAST 36TH STREET. THE RESIDENCE TO BE SEARCHED IS CONSTRUCTED OF BROWN SIDING, WITH TAN BRICK AND HAS A BROWN COMPOSITION ROOF. THE RESIDENCE TO BE SEARCHED HAS THE NUMBERS "11637" AFFIXED TO THE FRONT FACING OF THE HOUSE, ABOVE THE GARAGE DOOR. THE NUMBERS ARE WHITE IN COLOR ON A BROWN BACKGROUND. THE FRONT DOOR, AS WELL AS THE FRONT OF THE HOUSE FACES TO THE SOUTH. THERE IS ALSO A GLASS STORM DOOR ATTACHED TO THE FRONT DOOR. THE RESIDENCE TO BE SEARCHED IS THE 5TH STRUCTURE WEST OF SOUTH 118TH EAST AVENUE, AND IS LOCATED ON THE NORTH SIDE OF EAST 36TH STREET. THE RESIDENCE TO BE SEARCHED IS MORE COMMONLY KNOWN AS 11637 EAST 36TH STREET, CITY OF TULSA, TULSA COUNTY, STATE OF OKLAHOMA.

The named defendant, or other persons in whose possession he has placed the following described property for concealment, does now unlawfully, illegally, knowingly and willfully keep, and does unlawfully have in his possession and under his control certain dangerous substances, to wit:

METHAMPHETAMINE, FRUITS AND INSTRUMENTALITIES USED IN THE MANUFACTURE OF METHAMPHETAMINE, MONIES OR UNEXPLAINED WEALTH IDENTIFIABLE FROM THE MANUFACTURE OF CONTROLLED AND DANGEROUS DRUGS, WEAPONS, FINANCIAL RECORDS, AND PROOF OF RESIDENCY

listed in the schedules of the Uniform Controlled Dangerous Substance Act of the State of Oklahoma, with the unlawful intent to possess, use and distribute said substances in violation of the laws of the State of Oklahoma.

Affiant further states that said dangerous substances be reason of their physical structure are easily destroyed and that there is likelihood that the person in possession of the same will attempt to destroy them, and that there is further likelihood that the aforesaid, controlled, dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed between the hours of six o'clock a.m. and ten o'clock p.m. inclusive

YOUR AFFIANT FURTHER STATES:

Your affiant further states that he has been a police officer for the city of Tulsa for over eleven years, and has received training from street crimes officers at the Uniform Division North and the Special Investigations Division in the identification of controlled substances and received instruction on other narcotic related issues. Your affiant also has attended the A-one (Association of Oklahoma Narcotics Enforcers) conference and received additional training in regards to narcotic related issues. Your affiant has also attended the two-week Basic Narcotics Investigator School, hosted by DEA. Your affiant has received training from the Network Environmental Systems, per OSHA regulations and guidelines concerning the identification of methamphetamine labs and the identification of items used in the process of manufacturing methamphetamine. Your affiant has been to over 150 methamphetamine labs to date. Your affiant has also participated in the manufacture of methamphetamine in a controlled laboratory setting at the city of Tulsa laboratory. Your affiant is currently assigned to the Special Investigations Narcotics unit and has made numerous drug and prescription drug arrests in the past.

Within the last 10 days, I received information from an anonymous source (hereafter referred to as AS) that two subjects named "Clint" and "Frank" were cooking methamphetamine. According to the AS, these two subjects were cooking meth on a regular basis within their house. The AS stated the house was in the area of Garnett Road and East 36th Street, and give specific directions to the house. The AS also stated there were usually two green Ford Rangers parked in the driveway. I drove to the house and learned the address to be 11637 E. 36th Street.

The address of 11637 E. 36th Street has had two green Ford Rangers parked in the driveway on and off for the past week. The tags on those trucks are 818-ZQP, and PQY-780. Your affiant checked the address through utilities and found it checked to Kathryn Norton. Kathryn Norton is listed to have the boyfriend of Clinton Cowart, and are both

associates in Tracis. Furthermore, the mailbox to the residence has the names, "Coward" and "Norton" painted on it.

I have also observed short-term vehicular traffic (over the past 72 hours) coming and going from the residence at 11637 E. 36th Street. Short-term traffic is a common observation at houses where drugs are being sold (short-term traffic defined as a vehicle parking either in the street in front of the house or driveway, a driver or passenger from the car entering the house, and only staying there for a short period).

On 05-06-09 at 1322 hours, Officers D. Wamsley, J. Edwards, and I went to the house and knocked on the front door to speak with the occupants. As I approached the door, I observed the front door to be open, but the glass storm door was closed. I noticed a strong chemical odor (which I immediately associated with the manufacture of methamphetamine). I knocked on the door, identified myself, and made contact with a female, who stated she didn't live at the residence but she could get "Clint", who did. As she left the living room and went back to the bedroom area of the house, I looked into the front living room through the glass door and observed a glass smoking pipe sitting in plain view on the coffee table. There was also a small cut straw sitting next to the pipe. After about 4 minutes, Clint Cowart came to the front door and stepped outside (along with the female- Estella Gonzalez). Note- During the 4 minutes of waiting, I observed Estella bring an armful of clothes into the living room. She placed the clothes on the couch, but then also placed some clothes directly on top of the glass pipe and cut straw). I identified myself to Clint at this time. I explained to them both that we were there to investigate possible drug activity. I asked for consent to search his residence to which he stated, "Do you have a warrant?" I told him that we didn't. He then said that we could not search his house. I then informed both of them that they were under arrest for the paraphernalia that I had observed in plain view.

Officer D. Wamsley and I entered the residence to clear it of individuals. One other person was found sleeping in one of the bedrooms (Frank Sumerlin). As I cleared one of the bedrooms, I opened the door and smelled an extreme chemical odor (stronger and more concentrated). No other occupants were in the house.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who use and sell controlled dangerous substances often house additional quantities of illegal substances at their residences to avoid detection by Law Enforcement. These same individuals often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the manufacture and/or sale of controlled dangerous substances, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, lists of buyers and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions. Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sale and/or distribute.

Based on your affiant's prior training and experience, he knows that cellular phones are used by drug traffickers to coordinate the sale, transportation, and delivery of controlled dangerous substances. The communications consist of verbal communications or text messages transmitted through the phone. Further, it is common that persons who use cellular phones store the name and number of the persons they communicate with as electronic data in the form of names and phone numbers. Further, many phones are designed to store a record of recently called numbers, recently transmitted text messages, and to electronically store video and photos. Further, some cellular phone users assign photos, songs, or lyrics to frequent callers to identify the caller when a communication is received.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles. Your affiant states that it is common for individuals that distribute and use controlled dangerous substances to do so from their residence, as well as keep additional quantities on hand for personal use and resale. Your affiant requests the issuance of a search warrant for the residence to be searched, 11637 E. 36th Street.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

Affiant states that there is probable cause for the issuance of a search warrant because.

That your affiant is a certified and duly sworn Detective with the Tulsa County Sheriffs Office. That your affiant is currently working as a member of the Internet Crimes Against Children Task Force in Oklahoma. That in his role as a member of this task force he was provided with information of possible violations of law concerning the possession, transmission and storage of child pornography by the listed defendant who is a resident of Tulsa County. On 04-02-2009 your affiant met with Kelly Deleon and her nieces Bridgett Wilson W/F 15 years old and Kayla Wilson W/F 11 years old. Kelly Deleon is the legal guardian of the two girls who were removed from their biological parents Robert and Vickie Purtell. Vickie Purtell is the sister of Kelly Deleon. That while at their maternal grand fathers house Bridgett and Kayla were on the computer and noticed that Vickie Purtell's email was open. They began reading emails from giaromana@yahoo.com (Jeffrey Lauletta) to vickinok33@aol.com (Vickie Purtell) some of the emails were sexually explicit in nature referring to Lauletta fantasizing about having sexual intercourse with Vickie and Bridgette together. About wanting to get Vickie and Bridgett pregnant if they were living with him. Lauletta states in one email states " I have trouble sometimes family fantasies seize me. I the family man, You and Bridget and someone I always left out! Kayla her just barely old enough to seduce me if even now. You know I always left out Kayla for she was barely a kid, I mean little! I tell you a family secret, she hide on the couch deep under covers where I sleeping the night before your parents take her to there house leaving me and your dream daughter alone together. I go to laydown I feel something warm and moving below me and low and behold it Kayla wanting me to pet" lick her hairless pussey* and cuddle her to orgasm* I lay the law down telling her! I am no Pedo! Many men would of tried to take anything they can get! Man is so desperate. She know I meant it and went back to where she was sleeping." Another email from Lauletta stated the "Bridget used to jump me constantly before the rape charges took her away from me so I can only figure she is upside down a lot." Lauletta also states that while at a thrift store he saw two girls that one reminded him of Bridgett that she was looking at him "Like I the one" and that the other child came running straight as his "Krotch" he states that "I know the kids love me what can I do?" Lauletta also stated in email that "My Bridget who in truth would have been sleeping on top of my back if she was still with me but your weak backbone made sure that she would not" Lauletta sent Vickie pictures of two females that appear to be between 15 and 17 years old stating that he "cybers" with her and that she has a kid sister that she is sorry she can't give me the "real thing" yet. Lauletta also emailed several pictures of himself. In one email Lauletta was attempting to get Vickie Purtell to meet him telling her that his "secret address" is 4936 E. 73rd St. He talks about what he is going to do to Vickie sexually and then states that the picture attached is of a 16 year old that wants him to come to London for a "Hot trio and single" The pictures are of an apparent teenage girl taking pictures of herself posing in panties, and other pictures of her at some sort of formal dance in a dress.

All these emails were printed off and provided to your affiant. Kelly Deleon stated that Bridgett and Kayla were under their care after a lewd molestation investigation took place concerning Robert Purtell and Bridgett Wilson. No criminal charges were filed however a deprived petition was granted and the Purtells terminated the parental rights. Bridgett Wilson has not disclosed any sexual abuse by Lauletta but stated that he had tried to put the moves on her. Your affiant spoke with Robert Purtell who stated that he and Jeffrey Lauletta were school friends and that Lauletta had lived at their home located at 6738 W. Archer St. That Lauletta then rented the house next door to the east being 6730 W. Archer St. and lived there until July 2008. Purtell also stated that he had caught Lauletta and Bridgett alone in a bedroom together.

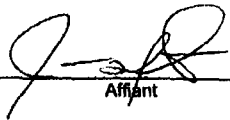

That Lauletta constantly would be talking about young girls. Vickie Purtell denied any sexual relationship with Lauletta and stated his interest in her was that her stature is that of a young girl being that she is 5'6 and 100 lbs. Robert and Vickie Purtell both knew Jeffrey Lauletta to use the name of Lex Lane. That the emails to Vickie Purtell were all signed "Lex." A records check revealed that Jeffrey Lauletta holds Oklahoma Drivers License number H082737703 and lists and address of 6730 W. Archer St. Tulsa, Ok 74127. Your affiant went to 4936 E. 73rd St and located a green 1999 Ford escort with Oklahoma license tag registered to Jeffery Lauletta with a registered address of 6730 W. Archer St. Tulsa, Ok.

SW - 2009 - 255

Your affiant through his training and experience in investigating computer facilitated sexual crimes knows that subjects involved in these crimes are less likely to delete or destroy emails, blogs, pictures or web browser history. That through this investigation your affiant believes that the suspect may have more information on his computer pertaining to any possible sexual abuse of Bridgett or Kaya Wilson. That based on pictures he emailed to Vickie Purtell as well as his "friends list" on his webpage netlog.com/Lexstar2008 as well as Jurgita.com which are predominantly teenage females, his admitted "Cybering" with these females and the language contained in the emails that were retrieved the suspects computer may contain additional obscene material writings and pictures. That a forensic examination of the subjects computer would confirm or negate the existence of any such materials.

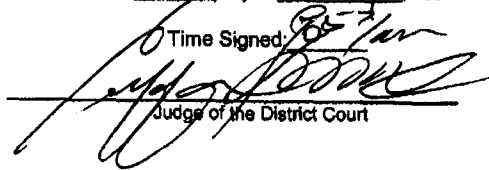

The above crime occurred within Tulsa County, State of Oklahoma.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search the said persons, premises and/or vehicle, and take possession of the property hereinbefore described and detain the same provided by law.

listed in the schedules of the Uniform Controlled Dangerous Substances Act of the State of Oklahoma, with the unlawful intent to possess, use manufacture and distribute said substances in violation of the laws of the State of Oklahoma.

SW - 2009 - 256

Your affiant further states that said dangerous substances by reason of their physical structure are easily destroyed and that there is likelihood that the person in possession of the same will attempt to destroy them, and that there is further likelihood that the aforesaid, controlled, dangerous substance, equipment, and paraphernalia will be moved unless a search warrant may be executed in the day.

Your affiant also states that he has been a commissioned Peace Officer employed by the City of Broken Arrow Police Department since 2003. In the course of his employment he is assigned to the Street Crimes Unit who's primary duty is the enforcement of the Uniform Controlled Dangerous Substances Act.

Your affiant has received formal training by the Oklahoma Council on Law Enforcement Education and Training. SW - 2009 - 256

1. Your affiant states that Detectives with the Broken Arrow Street Crimes Unit have conducted an investigation into the use and distribution of marijuana from Robert Jock Jackson within the residence of 518 East Galveston Drive, Broken Arrow, Tulsa County.
2. Your affiant attests he met with a deputy with the Wagoner County Drug Task Force who had served a search warrant on April 15, 2009 and arrested a Loren Price who was found to be in possession of over a quarter pound of marijuana from within her residence.
3. Your affiant states he interviewed Loren Price and she stated that the marijuana recovered on April 15, 2009 from within her residence was fronted to her on the previous night from a black male known to her as "Jock". Your affiant knows that "fronted" is a slang term for when a drug dealer gives a drug buyer an amount of a drug up "front" with the understanding that the buyer will pay for the drug at a later time with the proceeds from the distribution of that drug. She further stated that she routinely gets a quarter pound of marijuana fronted to her by "Jock" at least two times a week for the past year. She stated that she observes the marijuana in "Jock's" residence and that he often keeps the marijuana inside his freezer.
4. Your affiant attests on April 15, 2009 that Loren Price led him to "Jock's" residence where she gets her marijuana and pointed it out to him. The address that she pointed to was 518 East Galveston Drive, Broken Arrow, Tulsa County. Further, Loren Price informed your affiant of the vehicles that she knew "Jock" to drive being that of a red truck and a black Charger and your affiant observed both of those vehicles at that residence. Your affiant conducted a records check on the red truck and it was registered to a Jacques Jackson at 518 East Galveston Drive, Broken Arrow, Tulsa County.
5. Your affiant states that Loren Price is a habitual abuser of marijuana and is well aware of marijuana in all its forms and admitted to smoking marijuana daily. She admitted to being a distributor of marijuana and has distributed several pounds of marijuana that she has received from the residence at 518 East Galveston Drive, Broken Arrow, Tulsa County over the past year.
6. Your affiant attests that during his interview with Loren Price that she stated that "Jock" had told her that he had just been released from prison for a murder that he committed. Your affiant states he researched Oklahoma Department of Corrections and found a Robert J Jackson with convictions for 1st Degree Manslaughter AFCF, Escape from State Penitentiary, Assault and Battery on Police Officer, and Illegal Possession of Controlled Substance all through Tulsa County.
7. Your affiant states he researched City of Broken Arrow Utility files and found utilities at 518 East Galveston Drive, Broken Arrow, Tulsa County under the name of Jacques Jackson since August of 2008.

SW - 2009 - 256

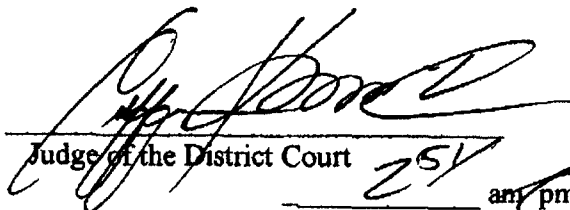

8. Your affiant attests he researched Tulsa Police Department records and found a Robert Jock Jackson with listed aliases of Jaques Jock Anderson and Robert Jock Anderson. Jackson was listed as a career criminal with entries for Homicide, Robbery, Assault, Burglary, Larceny, Dangerous Drugs, Obstruct Police, and Flight Escape.
9. Based on your affiant's training and experience, your affiant would expect to find inside 518 East Galveston Drive, Broken Arrow, OK, Tulsa County, Marijuana, fruits and instrumentalities related to the possession, use and/or sale of Marijuana, packaging and processing equipment, unexplained income, address books, names, telephone numbers, safety deposit box keys, documents showing dominion and control, and surveillance equipment, electronic devices, computers, and surveillance cameras and equipment.

WHEREFORE, your affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in the County of Tulsa, Oklahoma, commanding that they search the said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

SALLY HOWE SMITH, COURT CLERK
STATE OF OKLA. TULSA COUNTY
MAY 22 AM 10:41

In April 2009, the Tulsa Police Department received a Crime Stoppers tip which stated, "There is a marijuana growing operation at 225 South Richmond Avenue".

On May 13, 2009, your affiant conducted surveillance on 225 South Richmond Avenue, during which he observed a vehicle pull into the driveway. This vehicle was occupied by only one (1) person. Your affiant obtained the tag number displayed on the vehicle, which was Oklahoma tag 887 ZCT.

On May 13, 2009, Officer J. Gho conducted a Teletype check in reference to Oklahoma tag 887 ZCT. Teletype confirmed the vehicle, a 1998 Toyota, was registered to Stephen and Natalie O'Reilly at 4022 South Jamestown Avenue.

A TRACIS check in reference to the address to which the car checked, 4022 South Jamestown Avenue, revealed Keith Ashinhurst had used that address in the past, and he has one (1) prior arrest for Cultivation of Marijuana.

On May 14, 2009, your affiant was conducting surveillance at the residence to be searched, 225 South Richmond Avenue, at which time he observed the vehicle he had seen on May 13, 2009 backed into the driveway next to the garage. The vehicle was positioned so that the tag number could not be seen. Your affiant also observed the trash had been placed at the curbside by the driveway in front of the residence. Your affiant took this trash and placed it into your affiant's vehicle so that its contents could be searched. Your affiant was able to retrieve this trash without stepping foot onto the curtilage of 225 South Richmond Avenue. The trash taken from the residence to be searched consisted of four (4) plastic bags that had been tied shut. During a search of this trash, your affiant discovered the following item(s):

- First, tied-shut trash bag
 - 28 empty two (2)-liter pop (Coca-Cola) bottles, one (1) of which had the top 1/3 of it cut off
- Second, tied-shut trash bag
 - Latex gloves
 - A small quantity of marijuana
 - One (1) two (2)-liter pop (Coca-Cola) bottle with a soil residue in the bottom of it
- Third and fourth, tied-shut trash bags
 - Nothing of evidentiary value

All that was in the first, tied shut trash bag was the 28 empty two (2)-liter pop bottles. There was nothing else in it, trash or otherwise. The items discovered in the second, tied-shut trash bag were found in the middle and bottom of the trash, underneath and co-mingled with other items of trash in the trash bag. It is clear to your affiant that these items contained within the trash were placed there by the occupant(s) of 225 South Richmond Avenue for the following reasons:

- 1) The trash was by the curbside of 225 South Richmond Avenue.
- 2) The latex gloves, small quantity of marijuana, and pop bottle containing a soil residue were contained within a tied-shut trash bag in the middle and bottom portion of that bag, underneath and co-mingled with other trash, leaving it completely improbable that any other person would have placed them there.
- 3) The pop bottle containing a soil residue, found in the second, tied-shut trash bag, was the same brand of pop bottle as the 28 found in the first, tied-shut trash bag. Again, this makes it completely improbable that any other person placed that pop bottle there, when there are 28 identical bottles in a different trash bag.

Your affiant conducted research on the use of two (2)-liter pop bottles in the indoor cultivation of marijuana and discovered it is a common practice for individuals who cultivate marijuana to do so in a two (2)-liter pop bottle. Your affiant found multiple forums dedicated to the cultivation of marijuana discussing the use of two (2)-liter pop bottles, "how-to" web pages discussing the use of two (2)-liter bottles, and even an article written about a Florida law targeting marijuana cultivation, which defined "drug paraphernalia", in part, as "a 2-liter-type soda bottle".

Your affiant conducted a utilities check in reference to the residence to be searched, 225 South Richmond Avenue, which resulted in the following information:

- The responsible party for the utilities at 225 South Richmond Avenue is Ken McLaughlin, with a Social Security number of 440 90 2970.
- The water bill dated April 28, 2009 showed the residence being billed for 39,000 gallons of water.
- The water bill dated March 27, 2009 showed the residence being billed for 31,000 gallons of water.
- The water bill dated February 25, 2009 showed the residence being billed for 29,000 gallons of water.
- The water bill dated January 27, 2009 showed the residence being billed for 30,000 gallons of water.
- No water leak had been reported by the residents during this time frame.

Your affiant learned the average water usage in the City of Tulsa is 3,000 gallons per person per month. Given the numbers shown above, 10-13 people would have to live at the residence to be searched, 225 South Richmond Avenue, to justify that quantity of water used. A check with Tulsa County Property Information appears to show the residence is less than 1,000 square feet in size, making it highly improbable that 10-13 people live at the residence, especially with only one (1) vehicle.

A TRACIS check for Ken McLaughlin, with Social Security number 440 90 2970, confirmed Kenneth Hill McLaughlin III last known address was 225 South Richmond Avenue.

Your affiant spoke with Officer A. Sokoloski and Sergeant W. Franklin, both of whom have attended and completed training in the indoor cultivation of marijuana, who informed your affiant that individuals who are involved in the indoor

cultivation of marijuana will use an extremely high amount of utilities, both water and electricity. Your affiant informed Officer Sokoloski of the water usage at 225 South Richmond Avenue, and she stated it was consistent with her training and indicated that marijuana was being cultivated at the residence to be searched, 225 South Richmond Avenue.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who use, sell, manufacture and/or cultivate controlled dangerous substances often keep weapons and firearms to use for protection, paraphernalia, instrumentalities used in the cultivation, manufacture, and/or sale of controlled dangerous substances, monies or unexplained wealth, records and financial records in reference to their drug transactions in physical, digital, or electronic form, lists of buyers and sellers names, computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media to record their transactions.

Viewing and retrieving the contents and data of the computers and electronic devices, associated hardware, software, diskettes, compact disks, and other electronic storage media would be useful to show that controlled dangerous substances were unlawfully kept with the intent to use, possess, sale and/or distribute.

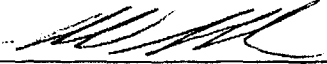

Based on your affiant's prior training and experience, he knows that cellular phones are used by drug traffickers and others involved in controlled dangerous substances to coordinate the sale, transportation, and delivery of controlled dangerous substances. The communications consist of verbal communications or text messages transmitted through the phone. Further, it is common that persons who use cellular phones store the name and number of the persons they communicate with as electronic data in the form of names and phone numbers. Further, many phones are designed to store a record of recently called numbers, recently transmitted text messages, and to electronically store video and photos. Further, some cellular phone users assign photos, songs, or lyrics to frequent callers to identify the caller when a communication is received.

Based on your affiant's prior training and experience on controlled dangerous substance investigations, individuals who commonly use, sell, manufacture, and/or cultivate quantities of controlled dangerous substances have visitors, friends and customers who visit their residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and conceal the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

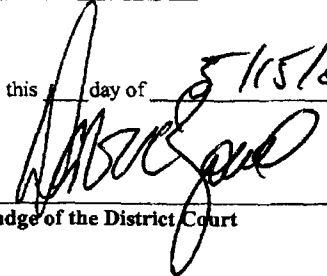

Your affiant states that it is common for individuals that use, distribute, manufacture, and/or cultivate controlled dangerous substances to do so from their residence, as well as keep additional quantities on hand for personal use and resale. Your affiant requests the issuance of a search warrant for the residence to be searched, 225 South Richmond Avenue.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant be issued according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.

The above-described property is now in possession of the above named defendant. The defendant is now located at 1352 N. Boston Avenue which is south of East Oklahoma Street and North of East Newton Place on North Detroit Avenue, and the home is described as being yellow with white trim and a brown foundation with grey shingles and white door, which faces east. The residence is in the City and County of Tulsa and State of Oklahoma.

YOUR AFFIANT FURTHER STATES: THAT SHE IS A POLICE OFFICER FOR THE CITY OF TULSA AND HAS BEEN SO EMPLOYED FOR A PERIOD EXCEEDING SIXTEEN YEARS. YOUR AFFIANT FURTHER STATES SHE IS CURRENTLY ASSIGNED TO THE DETECTIVE DIVISION, CHILD CRISIS UNIT. YOUR AFFIANT FURTHER STATES THAT SHE HAS BEEN TRAINED AT THE TULSA POLICE ACADEMY IN THE INVESTIGATION OF CHILD ABUSE RELATED CRIMES AS WELL AS AN ADDITIONAL 105 HOURS OF TRAINING RELATED TO INVESTIGATING CHILD ABUSE CASES. YOUR AFFIANT FURTHER STATES THAT SHE HAS PARTICIPATED IN NUMEROUS INVESTIGATIONS AND ARRESTS INVOLVING CHILD SEXUAL ABUSE. YOUR AFFIANT FURTHER STATES SHE HAS INVESTIGATED APPROXIMATELY 400 CHILD ABUSE CASES.

YOUR AFFIANT further states that on August 16, 2008 Tulsa Police Officer Eric Johnson was assigned to Hillcrest Hospital to investigate the sexual assault of a 10-year-old victim, Aerianna Chandler. Aerianna Chandler disclosed that on August 16, 2008, while at Tichelle Hunt's (her aunt) apartment at 2517 E. 88 St. #325 Tulsa, Ok, her cousin, David Marthelle Hunt Jr. (who was 17 years and 11 months old) forced her to have vaginal to penis intercourse, anal to penis intercourse, and oral sodomy. Sexual assault exam was completed on Aerianna Chandler and it revealed that she had a "nick at 6 o'clock" on her hymen and a "short abrasion center perianal skin." Aerianna Chandler's clothing was collected during the exam. That on 08/18/08 Aerianna Chandler was forensically interviewed at the Justice Center by Jayna Mayer. Aerianna Chandler disclosed during the interview that her cousin, David Hunt, made her take her clothes off, lay on the bed, and he got on top of her. She further disclosed that David's "middle part" (penis) went inside her "vagina" and her "butt." She disclosed this was painful. She disclosed that David put his "middle part" (penis) in her mouth. She further disclosed that Tichelle Hunt spanked David for what he did. That your affiant completed a laboratory request asking that the sexual assault kit and the clothes from Aerianna Chandler be examined for any DNA evidence. That on 09/12/08 a laboratory report was completed by Byron C. Smith, Forensic Scientist II, and he discovered that Aerianna's blue Capri pants had a positive examination for "Amylase activity; saliva may be indicated on stains located on the exterior front of this item" (item #2) from property receipt BD-1240.

FURTHER YOUR AFFIANT SAYETH NOT.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the evidence herein before described.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

- 1. Buccal swab from the defendant.

constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: Incest

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging and described as follows:

The defendant is currently incarcerated at David L. Moss, 300 N. Denver Ave., Tulsa, Oklahoma. The defendant is Kevin Deon Debose, a black male, DOB 02/24/1973, 5'11, 155 lbs., SS# 505928955.

Affiant states that there is probable cause for the issuance of a search warrant because on 09/26/2008 eighteen year old Stacy Denton reported the offense of First Degree Rape to the Tulsa Police Department. Denton reported that the defendant is her biological mother's nephew making him Denton's first cousin by consanguinity. Denton reported that on this date at approximately 0200 hrs. the defendant came to her residence at 1811 N. Quincy Ave. #B, located in the city limits of Tulsa and within Tulsa County. The defendant asked Denton if he could spend the night and the victim agreed but informed the defendant that he would have to sleep in the living room. Denton stated that she went back to sleep in her bedroom. Sometime between 0400 and 0500 hrs. Denton woke up to find the defendant in bed next to her and that he pulled her shorts down and engaged in penile/vaginal intercourse with her and ejaculated in her vagina. Denton stated that she was scared and did not resist the defendant nor did she say anything to him because she was in shock. She stated that the suspect never threatened or used force against her. The defendant then went to the bathroom and then called witness Asyasha Davis to come pick him up to take him to work. After the defendant left her residence, Denton called her mother, Monica Debose, crying. Monica eventually went to the victim's residence where she called the police. Denton also reported that after the defendant left her residence she called Asyasha Davis and told her that the defendant had raped her. Davis reported to affiant that when she received this call from Denton the defendant was still in her vehicle. Davis reported that Denton was crying and very upset but she could not understand what Denton was saying. She stated that Dawn Debose, the victim's sister called her about twenty minutes later while the defendant was still in her vehicle and told her that the defendant had raped Denton. When Davis confronted the defendant, he kicked her vehicle's gear shifter and ran from her vehicle.

A sexual assault exam was performed on Denton at Hillcrest Hospital and the forensic lab exam revealed the presence of semen on Denton's external genital swabs and her underwear.

On 05/08/2009, the defendant was arrested on Tulsa County warrant, CF08-5938, for Incest. A buccal swab is necessary to collect from the defendant to compare to evidence taken from Denton's sexual assault exam.

vs.

Defendant,

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

- 1. Photographs of defendant.

constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: Indecent Exposure

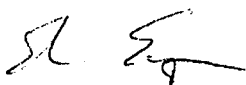

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging and described as follows:

Defendant: Jonathan Dillion Bennington, white male, DOB 04/30/1977, 6'02, 200 lbs., red hair, hazel eyes, SS# 601566793. The defendant can be found at his place of employment, Lowes Home Improvement located on the north side of the 1900 block of E. Hillside Drive in Broken Arrow, Oklahoma. This address is more commonly known as 1900 E. Hillside Drive, Broken Arrow, Oklahoma, Tulsa County.

Affiant states that there is probable cause for the issuance of a search warrant because on 04/22/2009, the victim, Lynn Applegate, reported the offense of Indecent Exposure to the Tulsa Police Department. Applegate reported that on 04/22/2009 at approximately 1330 hrs. she was at Mohawk Park, located at 6900 E. 36th St. North near the Oxley Nature Center when she pulled over to check the front of her vehicle. Applegate noticed a tan van parked directly across the creek from her and saw a white male exit the driver's seat and pull his erect penis out and began waving his penis at her. Applegate got back into her vehicle and the white male got back into his van and began waving at her to follow him. Applegate stated that she was able to get the suspect's tag number of Oklahoma 229-ZGO. Applegate stated that she then reported this offense to the Tulsa Police Department.

Affiant checked the Oklahoma motor vehicle registration and this tag checks to Patrick Morgan at 250 S. Pecan St. in Oologah. Affiant contacted Morgan who advised that he sold this vehicle to South Point Chevrolet in November of 2008. Purchase records for South Point Chevrolet revealed that this vehicle was sold to the defendant in December of 2008. The defendant listed his place of employment at Lowes Home Improvement in Broken Arrow, Oklahoma. Affiant contacted the defendant on 05/19/09 who advised that he does own this vehicle but denied being at Mohawk Park on this date and committing this offense. A photograph of the defendant is necessary to place in a photographic line up to display to the victim for identification purposes.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search the said persons, premises and/or vehicle, and take possession of the property hereinbefore described and detain the same provided by law.

AFFIDAVIT FOR SEARCH WARRANT

The undersigned affiant, being first duly sworn, upon oath deposes and says that the following described property:

- 1. Personal purchase/seller information for a 2002 Ford Windstar van, Oklahoma tag 229ZGO, VIN 2FMZA52412BB32490, to include name, address, date of birth and Oklahoma license number and/or Social Security number.

constitutes evidence that an offense was committed and that the person in possession thereof participated in the commission of said offense, to-wit: Indecent Exposure

The above described property is now in possession of the above named defendant, and is now located in Tulsa County, Oklahoma, at, upon or within a certain vehicle, and/or house, building or premises, the curtilage thereof and the appurtenances thereunto, belonging and described as follows:

Computer records for purchase/seller records are stored at South Point Chevrolet located on the west side of S. Memorial Drive and south of E. 91st St., commonly known as 9146 S. Memorial Drive, Tulsa, Oklahoma, Tulsa County.

Affiant states that there is probable cause for the issuance of a search warrant because on 04/22/2009, the victim, Lynn Applegate, reported the offense of Indecent Exposure to the Tulsa Police Department. Applegate reported that on 04/22/2009 she was at Mohawk Park located at 6800 E. 36th St. North near the Oxley Nature Center when she pulled over to check something on the front of her vehicle. Applegate noticed a tan van parked directly across the creek from her and saw a white male exit the driver's seat and pull his erect penis out and began waving his penis at her. Applegate got back into her vehicle and the white male got back into his tan van and began waving at her to follow him. Applegate stated that she was able to get the suspect's tag number of Oklahoma 229-ZGO. Applegate stated that she then reported this offense to the Tulsa Police Department.

Affiant checked the Oklahoma motor vehicle registration and this tag checks to Patrick Morgan at 250 S. Pecan St. in Oologah. Affiant contacted Patrick Morgan who advised that he had previously owned this vehicle but he sold this vehicle to South Point Chevrolet in November of 2008. Affiant talked to South Point Chevrolet management who confirmed that the vehicle was traded in December of 2008 by Morgan and then sold. Management advised because of privacy laws the information for the purchaser of the van could not be released without a court order.

The personal purchase/seller information is necessary to identify the suspect in the aforementioned Indecent Exposure.

Wherefore, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search the said persons, premises and/or vehicle, and take possession of the property hereinbefore described and detain the same provided by law.

Your affiant states that people involved in the selling and/or trafficking of controlled substances commonly pay for these items with the cash they derive from selling their controlled substances.

Your affiant further states that individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business and or residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and secret the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your Affiant further states that people who use and sell quantities of controlled dangerous substances, keep monies and records of their transactions and paraphernalia associated with their organization. Your affiant states that individuals who use and sell quantities of controlled dangerous substances commonly use digital paging devices, portable memory devices and cellular communication devices to maintain contact with their customers and suppliers or sources of supply of the controlled dangerous substances. Your affiant further states that these paging devices, digital storage devices as well as cellular communication devices maintain electronically stored numbers, messages, names and codes within their memory.

These items would include electronics, jewelry, furniture, U.S. currency, vehicles and various appliances. Your affiant states that people involved in the selling and/or trafficking of controlled substances commonly pay for these items with the cash they derive from selling their controlled substances.

Your affiant further states that individuals who commonly use and or sell quantities of controlled dangerous substances have visitors, friends and customers who visit their business and or residence. Your affiant states that these types of individuals commonly place quantities of currency with which to purchase the controlled dangerous substances on their person. Your affiant states that these types of individuals also commonly purchase quantities of controlled dangerous substances and secret the purchased quantities and associated drug paraphernalia on their person, in their clothing and personal effects as well as their vehicles.

Your Affiant further states that people who use, manufacture, and sell quantities of controlled dangerous substances, keep monies and records of their transactions and paraphernalia associated with their organization. Your affiant states that individuals who use and sell quantities of controlled dangerous substances commonly use text messages, and cellular communication devices to maintain contact with their customers and suppliers or sources of supply of the controlled dangerous substances. Your affiant further states that these cellular communication devices maintain electronically stored numbers, messages, names and codes within their memory.

Your Affiant further states that there is ongoing criminal activity at **3922 N. Delaware Avenue**. Your Affiant further states that he believes that the information developed in this case indicates probable cause that quantities of controlled dangerous substances are being sold and manufactured from as well as maintained in the residence to be searched located **3922 N. Delaware Avenue, Tulsa, Oklahoma**.

WHEREFORE, Affiant asks that a search warrant issue according to law, directed to any sheriff, policeman or law enforcement officer in Tulsa County, Oklahoma, commanding that he search said persons, premises and/or vehicle, and take possession of all the controlled dangerous substances, equipment and paraphernalia hereinbefore described, and vehicle in which said dangerous substance is unlawfully kept, deposited or concealed.
